A treatise on the Preamble to the Constitution For the United States of America, and the Ancient Bible Inheritance of Adam's family

Part One

“**Posterity**: The stock that proceeds from a progenitor; a person’s descendants; also, succeeding generations, taken collectively; as, the *posterity of Adam*” (Britannica World Language Dictionary, 1954, Vol.1, page 1024)

“When the Most High **divided to the nations their inheritance**, when He **separated the sons of Adam**, He set the bounds of the people according to the number of the children of Israel.” (Holy Bible, Deuteronomy 32:8)

“And ye shall be holy unto me: for I Yahweh am holy, **and have severed you from other people**, that ye should be mine.” (Leviticus 20:26)

“And God sent me before you to preserve you a **posterity** in the Earth, and to save your lives by a great deliverance.” (Joseph speaking to his racial family – Genesis 45:7)

The Almighty Commands His People (We):

*“Thou shalt also **decree** a thing, and it shall be **established** unto thee: and the light shall shine upon thy ways.” (Job 22:28)*

*“For this cause left I thee in Crete, that Thou shouldest set in order the things that are wanting, and **ordain** elders in every city, as I had appointed thee:” (Titus 1:5, The NT Commonwealth governing bodies of Eph. Ch.2)*

*“All the cities of the Levites (civil law administrators) within the possession of the **children of Israel (posterity)** were forty and eight cities (numbered districts) with their suburbs.” (Joshua 21:41)*

*“ So **we thy people** and sheep of thy pasture will give thee thanks for ever: we will shew forth thy praise to all **generations**. (**posterity** Psalms 79:13)*

Preamble to The Constitution For the United States of America:

*“**We the People** of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the **Blessings of Liberty to ourselves and our Posterity**, do **ordain and establish** this Constitution for the United States of America.” (The continued NT Israel Commonwealth)*

Joyful and wonderful news!!

Do you know that our Heavenly Father has a Christian Scepter Land given to us, the family of Adam through Isaac (Isaac’s sons = Saxons), and that this **land gift and liberty** is an inheritance Family Trust specifically bequeathed to His children (Posterity) in the Earth? Would you be further surprised to discover that this “Special Land Trust” is none other than America The Beautiful having 48 Constitutional adjoining law districts on it’s continent?

Did the American Christian Founding Fathers obey the beckoning of the Scriptures to **decree, establish, ordain**, and in time provide for a **48 adjacent numbered districts** in a home for Saxon Israel on its mainland? History

soundly proves that they did, and that this sacred decree was set forth in the *Preamble* to The Constitution For the United States of America.

(Other Saxon Christian lands have a great part in God's plans as well, but for the time being this essay pertains to North America, and our blessed brethren nations are not the focal point of this particular law/heritage study.)

Furthermore, as America at the height of its prosperity expanded outside its basic mainland perimeter, with Alaska, Hawaii, or territories, so did our Saxon ancestors of ancient Israel expand its outer territories in its "golden age" as God promised to overflow their blessings. King Solomon inherited an immense, powerful and prosperous Middle Eastern empire from his father, David. *"For [Solomon] had dominion over all the region on this side of the [Euphrates] River from Tiphseh [probably modern Dibseh, where northern Syria borders southern Turkey] even to Gaza [the Philistine city on the Mediterranean coast], namely over all the kings on this side of the River; and he had peace on every side all around him"* (1 Kings 4:24).

Most Christians readily remark that there must have been "some sort of divine intervention" that happened in America in 1776 when our colonial forefathers defeated Britain, the most powerful nation on Earth at that time. But how very little do most of us truly understand the *enormous magnitude of God Almighty's hand* in history as our Saxon family of people, against so many obstacles of politics and nature, carved out the greatest nation ever to arise on the planet from a virtual wilderness of a continent. It wasn't just by accident. Regardless of what is taught in the social gospel churches, not all people descend from Adam, a crucial point of Scripture we will not expand upon here.

America is a divinely ordained inheritance possession for Adam's distinct family of people. The Bible informs us that each separate people (race) have their own order of Earthly location and home which they were given by The Creator in which to dwell. This orderly arrangement was divinely constituted to enhance peace and social tidiness of different nations upon the Earth. God views the inheritances of the different families which He has created as extremely important. America is our land. It's one of the places to which the sons of Adam were to be separated from other races:

“When the Most High divided to the nations their inheritance, when He separated the sons of Adam, He set the bounds of the people according to the number of the children of Israel.” (Deuteronomy 32:8)

*“Turn, O backsliding children, saith Yahweh; for I am married unto you: and I will take you one of a city, and two of a family, and I will bring you to **Zion** (prophetic USA): And I will give you pastors (Christian ministers) according to mine heart, which shall feed you with knowledge and understanding.” (Jeremiah 3:14,15 email us for audio CD’s about prophetic USA in Bible prophecy)*

America is our inheritance and we are the children of Israel, the posterity of Adam through Abraham, Isaac, and Jacob, (not to be confused with today’s false “jews” who are not Israel). It may be a benefit to the reader to realize that God’s method for Earth’s separation of nations is not describing a Biblical world system of “hatred” between the different families of people that would precipitate constant wars. On the contrary, as Christians we wish wellness to all the various peoples of the world to wind up in God’s orderly arrangement for the good of the whole Earth, exactly where everybody is supposed to be in the divine creation.

Additionally, the timing and arrival of the events surrounding Jesus Christ’s ministry, Magna Charta, The Declaration of Independence, the United States Constitution, (and more) have all been orchestrated by “Divine Providence” to assign to Saxon Christians this special chunk of land on the planet called The United States of America as an **Inheritance Trust** from God Almighty. In this three part essay we will scrutinize and study the Preamble for the federal Constitution of 1787, revealing its **true ultimate purpose**. That purpose being to **decree** (as God says He expects us to) the overview of the Divine Trust of Land Inheritance given to the posterity of our family by Yahweh God Almighty of the Holy Bible. Not only does The Almighty decree things to be, but He has directed that **we too** must decree our intentions in establishing precepts of honor to light the paths of our ways in the Earth.

*“**Thou shalt** also decree a thing, and it shall be established unto thee: and the light shall shine upon thy ways.” (Job 22:28) This is precisely what our American ancestors did when they in effect said to their inner calling “OK, Agreed: – we the people, do ordain and establish ...”. They were*

obeying the heart felt direction of the Holy Spirit to do exactly what they were supposed to do at that divinely chosen time in our history. Some unsound doctrine teaches that “only God should decree things, so if we decree anything, then we are making man made laws”. However, our Heavenly Father makes decrees, and as long as we are in His Faith, being that we are His children, He expects and desires us to be like Him and utter strong righteous decrees as well.

Speaking of God’s wisdom found in righteous rulers the Scriptures say:

*“By me (wisdom) kings reign, and princes **decree justice**. By me princes rule, and nobles, even all the judges of the earth.”* (Proverbs 8:15)

Yes, kings, princes, nobles, and judges who issue just decrees based upon God’s wisdom are those who know His Laws and use them to apply to the many affairs of state of their nation.

Therefore, before we proceed further it cannot be stressed enough that the union called “The United States of America” was not first established by the Constitution. Our Christian American forefathers assembled and declared their independence from Britain in 1776 by the Declaration of Independence, and then formally “**decreed justice**” (Proverbs 8:15) in that the sovereign States were already known as “The United States of America” in the Articles of Confederation and Perpetual Union of 1777. Those God fearing men were certainly seeking divine wisdom as Christian disciples in “decreeing independence” from the tyranny of Britain under King George III. This is what The Almighty **expects** His children in the Earth to do. That foundational document reads:

Article I. *The Stile of this Confederacy shall be "The United States of America".*

Article II. *Each state retains its sovereignty, freedom, and independence, and every power, jurisdiction, and right, which is not by this Confederation expressly delegated to the United States, in Congress assembled.*

Article III. *The said States hereby severally enter into a **firm league of friendship** with each other, for their common defense, the security of their*

liberties, and their mutual and general welfare, binding themselves to assist each other, against all force offered to, or attacks made upon them, or any of them, on account of religion, sovereignty, trade, or any other pretense whatever. ----

“The said States” were Christian governments in their own right as we have seen in the original documents and constitutions of those States in our earlier Law Commentary entitled *“Christian USA continued”*. Furthermore, the facts at law record that the federal Constitution of 1787 **did not** do away with that fundamental perpetual friendship union of the Christian “States United” as studied and explained in our Law Commentary entitled *“The U.S. Constitution Did Not Do Away With Christian Engagements Entered Into”*. In other words the nation already **was** Christian in law and in people at the time of the adoption of the Constitution, which document **continued the union** for the fundamental purpose of bringing to light another lawful intent of the union, that being the Family Trust aspect of that “friendship league” known as The United States of America.

Within the Biblical compliance of **decreeing and establishing their intent**, the Christian founders of this “New Jerusalem” (America) did so in seven historical steps. 1) The arrival to the new continent with the Holy Bible as their law book. 2) The establishment of the Christian Commonwealth form of government to enforce Divine Law in the colonies as per Ephesians 2:12 & 19; Mat. 21:43, etc. 3) Declaring Independence from the Bank of England’s bought and paid for ruler, King George III 4) Engaging in a successful war to secure that independence. 5) Formally announcing the Christian States United to be known as “The United States of America” by the Articles of Confederation and Perpetual Union of 1777. 6) Defining (by the Preamble & U.S. Constitution of 1787) the lawful **Trust Inheritance to the Posterity** (original descendants) of that continual union, and the particulars of administering that Trust. 7) Confirming the job of the **Trustees** (Congress assembled) to protect the sovereignty of those lawful States and its people, by an added reminder called the Bill of Rights of 1789-91.

By not understanding this progression of a **unified unbroken chain of events**, some misguided folks hold the ill conceived idea that since the Constitution does not mention “God” or “Christianity” that it means that the Constitution set up some “new and different secular government” over the

States. Such is far from the case. The Union already existed as a friendly league of Christian people among the States, and *it was neither the purpose nor function* of the federal Constitution to “re-establish” that ongoing truth as if it needed to be restated, or as if somehow that friendly league had dissipated as a forgotten mist blown away.

The Christian national association of friendship did not evaporate, because it was set up to be perpetual. This maxim of law was taken for granted during that era – America was a Christian nation! Our Founding Fathers were not ignorant of the true law of the era. No matter how much one attempts to do so, you cannot set something on fire that is already on fire (in this case, make something Christian that already is Christian – the nation and its government). There was no lawful need for the Constitution to re-declare America to be Christian. This was firmly settled in the early patriots’ minds. The *purpose* of the Constitution was now to decree the *Family Trust* document under the Saxon Christian laws of Descent and Distribution, which is rooted in the legacy and law of the Saxon people of the Holy Scriptures. This will be evident as we begin to grasp the completely underestimated importance of the *Preamble* to the Constitution For the United States.

The Preamble Holds a Great Purpose Lost to our Heritage

Instead of merely being an introductory ho-hum short paragraph of little value that many perceive it to be, our Constitution’s Preamble shines forth the Decreed Purpose of the great lawful intent by which the nation of God’s People *hold title to the land* upon which we stand firm through inheritance. That land inheritance was given to us by our Heavenly Father. If anything, it is the Preamble that is of more importance than the main body of the Constitution itself, as that main body text can only remain lawful by falling under the purview of the Preamble itself. Any “interpreting” of the Constitution’s main body text away from the purpose of the Preamble makes that “interpretation” void and without effect.

It is the far reaching truth of the Preamble which our Founding Fathers knew, but we have forgotten (or rather, weren’t ever taught). Unknown to our present generation, it is the sacred meaning expressed within the Preamble of 1787 that our ancestors of the earlier 1776 American Revolution were willing to die for. This cherished understanding existed

within the hearts of the Colonists for many decades, centuries in fact, but it was finally codified, and decreed in writing, by the penning of the Constitution's Preamble.

What then, is the significance of the Constitution's Preamble, and what do we mean by stating "its purpose is to define the Trust of our Inheritance" in a Holy federation union?

To answer that question is the focal point of this three part law essay.

Please keep this the above in mind for now, but let's set it aside for a short moment because we first need to take a necessary detour into the Holy Scriptures to tie all this in with some revealing Bible history, without which the answer to the above can only be partially gained. After we set a foundation with some pertinent Scripture study, we will return to more fully appreciate the importance of the Saxon family inheritance within the Constitution's Preamble, and precisely what it means. (This will be finalized in Part Three.) America's history and very existence are inescapably intertwined with God's Word and Will as announced in The Holy Scriptures.

Eden, The Garden, Adam, The Land Inheritance, Original Zion

The truth that Adam's family was to return to their beginnings in Eden when they would be cleansed of their sin has not been understood by the denominations since those organizations are blind to see that the Saxon Christians are the physical Israelites of the Old Testament, who were the direct offspring of Adam. Without knowing who the true Israelites are, the Bible will remain a closed book. Although we could spend an hour on each of the below verses, a person moderately grounded in the Bible will be able to apprehend this somewhat condensed version of the Adamic return to their origins. Furthermore we know that the Bible and recorded history confirm that Adam's offspring in time became known as "Saxons" (Isaac's sons) who moved north-westward out of "Palestine" as they trekked through western civilization history.

Genesis 2:7 *"And Yahweh God formed man of the dust of the ground (in Eden), and breathed into his nostrils the breath of life; and man became a living soul."*

Genesis 4:25 “*And Adam knew his wife again; and she bare a son, and called his name Seth: For God, said she, hath appointed me another seed instead of Abel, whom Cain slew. 26 And to Seth, to him also there was born a son; and he called his name Enos: then began men to call upon the name of Yahweh.*” (The molecular genetic “dust” of Adam is inherent in his offspring and continues perpetually from Seth onward)

Genesis 13:16 “*And I will make thy seed as the dust of the earth: so that if a man can number the dust of the earth, then shall thy seed also be numbered.*” (‘dust’ now being used as a play on words in that the ‘dust of Eden’, Adam’s offspring, will also become as many as the dust of the Earth)

Genesis 21:12 “*for in Isaac shall thy seed be called.*” (Isaac’s sons = Saxons)

Genesis 28:14 “*And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the Earth be blessed.*”

Numbers 23:10 “*Who can count the dust of Jacob (genetic Adamic offspring), and the number of the fourth part of Israel? Let me die the death of the righteous, and let my last end be like his!*”

Psalms 102:12 - 16 “*But thou, O Yahweh, shalt endure for ever; and thy remembrance unto all generations. Thou shalt arise, and have mercy upon Zion: for the time to favour her, yea, the set time, is come. **For thy servants take pleasure in her stones*, and favour the dust thereof.** So the nations shall fear the name of Yahweh, and all the kings of the Earth thy glory. When Yahweh shall build up Zion, He shall appear in His glory.*”

(I Pet.2:5 “*Ye also, as lively stones*, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.*”)

Why would Yahweh’s servants (the lively stones, redeemed Saxon Christians) “***favor the dust of Zion***”? Answer: Because, passed down from Adam’s genetic material, this is where they came from and it is to this home foundation (Zion) that they ***return*** in great joy of their redemption. This particular *homeland soil* is their inheritance as it was Adam’s original inheritance.

Isaiah 51:11 *“Therefore **the redeemed** of Yahweh **shall return**, and come with singing **unto Zion**; and **everlasting joy shall be upon their head**: they shall obtain gladness and joy; and sorrow and mourning shall flee away.”* [We’re going to see shortly that Zion is Eden and also America, all the same place].

When Yahweh told Adam in Genesis 3:19 *“In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: **for dust thou art, and unto dust shalt thou return**”* Yahweh was speaking of more than just Adam dying and going to the grave. This was also a prophecy to the race of Adam to return home to the land (the special Edenic dust) of their very origin and their very essence of being– Eden, the soil from which they were formed. Adam’s race was to come full circle after the fall into sin drove Adam and Eve from Eden. Adam and Eve’s descendants would *“**favor the dust of Zion**”* yet again, after they were finally redeemed having become Christians saved by the blood of the Lamb. The “favored dust of Zion” is the “dust of Eden”. God’s Word tells us that “former Edenic splendor restored” is the same as “Zion being comforted”. Where Zion is we will find Eden. Bible prophecy clearly teaches that latter day Zion is America. (send for CD audio lesson “Isaiah Envisioned America”)

*“And He shall send Jesus Christ, which before was preached unto you: Whom the heaven must receive until **the times of restitution of All Things**, which God hath spoken by the mouth of all his holy prophets since the world began.”* (Acts 3:20,21)

*“For Yahweh shall **comfort Zion**: He will comfort all her waste places; and He will make her wilderness **like Eden**, and her desert **like the garden of Yahweh**; joy and gladness shall be found therein, thanksgiving, and the voice of melody.”* (Isaiah 51:3)

God, as Yahweh Almighty, gave the Garden to Adam by placing him there. And by that, He gave Adam rule over Eden. As “The Everliving”, God was Adam’s Father (Lk. 3:38) and The Father bequeathed the Garden to Adam to “dress and keep” it (Gen. 2:15) as a family commission. This land was Adam’s inheritance from His Father, as Adam did nothing to earn or pay for the land as a stranger might acquire land in purchasing property. All that Adam had in the Garden of Eden was given to Him as a Son of Yahweh.

Genesis 2:7,8 *“And Yahweh God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.”*

“And Yahweh God planted a garden eastward in Eden; and there He put the man whom He had formed”

God’s Word, contrary to what the social gospel churches teach, says that Adam was the first “white man given divine rulership” on Earth, not the first person on the planet. Adam’s arrival dates back only about 7500 years ago. (Yet, bones of Asians and Africans have been found dating back over 100,000 years) In fact, in the Hebrew Bible text the word “Adam” is “Aw-dawm” listed at Strong’s Bible Concordance at reference #’s 119, 120 and it means “*to show blood in the face, flush, turn rosy, ruddy*”. The family line of Adam’s descendants in the Bible are described as “*fair, ruddy, white*” (Gen.12:14; 26:7; I Sam. 17:42; Songs 5:10, etc) This certainly does not describe the dark people of the world.

In the Garden of Eden God gave Adam a natural ability commission. That commission was:

“And Yahweh God took the man, and put him into the garden of Eden to dress it and to keep it.” Genesis 2:15

The word “dress” is the Hebrew “Awbad” meaning “to serve, service, be a servant”. (Strong’s Heb. # 5647)

The word “keep” is the Hebrew “Shawmar” meaning “to protect, watch and guard”.

(Strong’s Heb. # 8104)

This is a natural in-born governing trait to “serve and protect” (authority enforcement of nature’s laws) by the Father’s command, for in the genealogy of Jesus Christ we see that Adam is called “God’s son”. (Lk. 3:38) Also we see that only by this family line is there a natural trait possession to know God’s Laws, and with whom alone God deals.

*“**You only (Israel) have I known** of all the families of the earth: therefore I will punish you for all your iniquities.”* Amos 3:2

“He sheweth his word unto Jacob (Adam’s heir family), his statutes and his judgments unto Israel.

He hath not dealt so with any nation: and as for his judgments, they have not known them. Praise ye Yahweh.” Psalm 147:19,20

“But He (Jesus) answered and said, I am not sent but unto the lost sheep of the house of Israel.” (Matthew 15:24)

Another point needing clarified is that today’s so called “jews” are not the Adamic Israelite people of the Bible, having admitted in their own Jewish reference books that they descend from Esau’s mixed line, and the Turko-Khazar Empire of 700 AD – both non Israelite families. (*source Esau: Jewish Encyclopedia Judaica, 1971 ed., p.378; source Khazar: Pictorial History of the Jewish People, Crown Pub. NY, pg 129*)

The true Adamic Israelites became Christians upon the arrival of Jesus Christ. Jesus said:

“ I am not sent but unto the lost sheep of the house of Israel.” Matthew 15:24

“My sheep (Israel) hear my voice, and I know them, and they follow ME (become Christians):” John 10:27

Saxon rule and 1776

These Adamic Israelites were also known as the descendants of Isaac, Abraham’s son. Isaac’s descendants = Sons of Isaac= Isaac’s Sons = Saac Sons= Saxons, in the evolution of the word. In his exhaustively referenced book entitled “Judah’s Sceptre and Joseph’s Birthright” (1925, reprinted 1946, Destiny Pub., Merrimac, MA,01860) renowned theology scholar J.H. Allen cites historians’ and language specialists’ conclusion, stating, *“It is now a well authenticated fact that the word Saxon is derived from the Hebrew name of I-saac”*-Part III chapter 6. Therefore the Bible teaches that it is the Saxon Christians who are the true Israelites from Adam who still carry Adam’s natural commission to “serve and protect” by God’s Laws and Rights within their hearts, **and** that they are the only people who have an inner understanding of this Natural Right. The whole “governmental controversy” taking place in the world today is centered upon this truth of Nature, Nature’s God, and the Bible.

Both the Scriptures and a long train of historical events have confirmed the fact/truth that only the white Saxon Christian race of people possess a natural in-born love of God given liberty, individual sovereignty, and a cherishing of natural rights as do no other people on Earth. Non Saxons may have talents in other areas, but they do not know how to govern by God Given Rights and are dangerous rulers living by the law of “might makes right”. This is why The Almighty has issued this divine command in Deuteronomy 17:15 for having leaders over us only of our kindred family: *“Thou shalt in any wise set him king over thee, whom Yahweh thy God shall choose: **one from among thy brethren** shalt thou set king over thee: **thou mayest not set a stranger over thee, which is not thy brother.**”* A “brother” comes from the same father (Adamic), and the word “brother” here is *Awkh* in Hebrew with the primary meaning to be “relative, kinsman”(Gesenius’ Hebrew Lexicon, 1949 ed. P.27) This is a commandment of God which we are to obey just like the other commandments He has given us.

Needless to say, we have done a poor job of obeying this warning and have turned our land’s governing policies over to all manner of non Adamic heathen officials who do not have God’s laws in their hearts, thus the trend toward a total communist state of tyranny is the only path possible under these conditions. Jesus Christ does not plan for that to happen to His nation, although things may look bleak at the moment.

The name “*Jesus*” in Greek Ιησους has the numerical value of 888 ([see Jesus study link](#)). His two manifested arrivals, first as the child born Savior, and second as The Lion of Judah in Revelation gives us: $2 \times 888 = 1776 =$ America’s number. *“Jesus (888) Christ, the same yesterday, today, and forever!”* (Heb. 13.8) is the same God in the Old and New Testaments, with the same Adamic people. Malachi 3:6 states, *“I am Yahweh, I change not!”*. This primarily means that **His Gospel** throughout the Old and New Scriptures does not change. The Hebrew numerical text of the letters in *“I am Yahweh, I change not!”* also total 888 (same as ‘Jesus’) confirming Hebrews 13:8. Yahweh who made Adam never did change His plan of bringing Adam back into his original inheritance in Eden. Jesus (Yahweh’s Word in the Christ) accomplished this possibility on the cross. The early Danite expeditions to America followed by the Christian Saxon Pilgrims landing at Plymouth in 1620 began to reintroduce Adam’s family and government (to ‘dress & ‘keep’ the Garden) once again in Eden.

אני יהוה לא שנית (Hebrew) “I am Yahweh I change not”. Here in Malachi 3:6 the numerical value of the words add up to 888. 2 “times” this number “888” (*The Old & New Testaments*) = 1776

Likewise --- Hebrew ישועה אלהינו “The Salvation of our God” at Ps. 98:3 also equals 888 , the same as Jesus Ἰησοῦς in Greek.

The Bible is the story of the same God to the same people in both the Old and New Testaments. Saxon Christians are the Israelites who are *Adam’s posterity*.

It would be a benefit, with respect to this topic, if we are cognizant of the Hebrew name of Jesus, that is Y’shua or Yahshua, and the importance of realizing that connection to Yhvh/Yahweh, The Everliving. However, the name “Jesus” (English) most likely takes precedence over the past Hebrew names due to where we are in history. Those of us Saxons living at this time have come into the age prophesied of thousands of years ago by the prophets where Yahweh promised to speak to us in a different language other than Hebrew. (Isaiah 28:11 i.e. Greek/English). He has brought us into another land (America instead of ‘Palestine’ Jer.3:14; Isa.18:7), and has given us a new name (Christians, Isa.62:2; Eph.3:14,15).

It is important to stay in tune and on the same page as Yahweh with respect to what He wants for His people. Thus the importance of the English Savior name of Jesus should not be diminished, nor the number of that name ignored, as revealed in the NT Greek – 888. Recognizing the English name of the Savior JESUS is an important agreement with God’s promises that He would bring the Israelites westward through Europe and into America with the land and language appointed to us in the last days. The name Jesus testifies to prophecy fulfilled, albeit the names Y’shua, Yahshua, or Yahvashua are a remembrance of our Hebrew ancestry. These are simply different dialects of the same meaning, Everliving Life the Hebrew “Havah”.

“Eight” is the number of newness and resurrection. It is the start of a new week, being one more than the old week of seven complete. “Triple eights” are the emphatic witness to the fullness and ownership of Resurrection. The Name of Jesus who came as both God and man, is He who revealed Yahweh Elohim to the sons and daughters of Adam. The Living God of the Adamic Israelite Hebrews is the same God as the Adamic Saxon Christians since these people are the exact same family but only in different time periods. By

now, the reader is probably seeing the importance of the mathematical word in revealing the Scriptures, which we shall expand upon during this essay.

These numbers in prophecy witness to the truth of Yahweh Almighty and His power in directing circumstances to fulfill His will in history. This is not “numerology” which is an occult superstition believing that numbers themselves are magical entities which possess “powers” to control the universe. Numerology “power seeking” is mainly a mythical waste of valuable time and a form of forbidden witchcraft – useless. Contrary to this, there is no doubt that Yahweh is the master skilled mathematical builder who has all things accurately measured within His divine plans. He has numbered and described America in His Written Word as well as occurrences of other historical events.

Just a few of the identifying marks of Israel’s regathered nation (America) in the last day include these (with more revealed in the audio lessons):

True Israel is the Eagle Nation -- (Ex.19:4; Isa.40:31)

Israel to have 48 mainland administrative districts – (Josh.21:41; Num.35:7)

Nation has an ocean brine sea on the east, but greater sea on the west – (Num. 34:3, 6)

Israel to have a new name (Christians) in the new land -- (Isa.62:2; Eph.3:14,15)

A land blessed with great bountiful goodness and riches -- (Deut.33:13-16)

A land having great mountains, divided by great rivers – (Isa. 18:7; Deut. 33:15)

Called ‘God’s house’ where all nations have flowed into -- (Isa.2:2)

The military fear of the world – (Deut.2:25; 28:10)

God’s pastors to teach The Word upon first arrival in the new land – (Jer.3:14,15)

Land of liberty at its beginning, Christian liberty -- (Lev.25:10; Isa.61:1;Gal.5:1)

The great nation that has blessed the rest of the Earth -- (Gen.12:2; 18:18; Deut.4:7)

1776 connection (2 x 888 the numerical value of Jesus’ name) (Mat.21:43; Col.3:17)

This latter day nation is prophetically called “Zion” -- (Isa. Ch.18)

Quite a few people in the Christian Israel Kingdom message have studied their Bibles and have realized that America was prophesied about thousands of years ago and that America is the New Jerusalem, God's latter day nation of regathered Israel. What has not been realized is that God has gathered His Adamic Saxon people to America as His (soon to be) governmental center of the world *because* North America was the home of Adam's Eden. What was sidetracked well over 6000 years ago by Adam's sin will soon continue as the broken pieces of the "puzzle" are placed back together again.

Many generations removed from when the Adamic family dwelt in the Eden of North America, we find the descendants, the Israelites, later living in the middle east. Moses had been used of God to deliver Israel from Egyptian bondage and set them up as a nation. Yet we see that those generations were disobedient to Yahweh's national laws whereupon He told Israel that they would be punished "7 times for their sins" (Lev.26:18,24) A Bible "time" is a cycle of 360 as we know from the time table prophecies in the books of Daniel and Revelation. A "seven times punishment" is 360 x 7 or 2520 years in which Yahweh would punish Israel by allowing the foreign powers of Assyria and Babylon to invade them and scatter Israel out of their land. It would thus be 2520 years from that time until Israel would be regathered as a nation again. The number 2520 is highly significant in Hebrew Bible prophecy and will be referred to during this three part essay.

History records, in keeping with this promise of Yahweh to scatter Israel/Judah out of their mid east home, that the 2520 dispersion period began with the reign of Tiglath-Pileser of Assyria. References tells us that the Assyrian King Tiglath-Pileser (or Pul) took the throne as King of Assyria in 746/5 BC, and that in his first year of administration (which would be 745-744 BC) he enacted new orders for subject territories. (see Westminster Bible Dictionary, 1944 ed. Page606).

Also herein quoted:

"A mention of Ahaz, found outside of the Bible, was taken from a clay building inscription of **Tiglath-Pileser III**. In accounts from *his battles against Israel, between 744* and 727 B.C., he records the following:

"From these I received tribute . . . Ahaz, the king of Judah . . . including gold, silver, iron, fine cloth and many garments made from wool that was dyed in purple . . . as well as all kinds of lavish gifts from many nations and from the kings that rule over them."

This confirms 2 Kings 16:8 which states:

"And Ahaz took the silver and gold that was found in the house of Yahweh, and in the treasuries of the king's house, and sent it as a present to the king of Assyria."

2520 years after the plans for military action against ancient Israel on the part of Tiglath-Pileser in mid 745 - 744 BC brings us into the year 1776 when Yahweh God allowed Saxon Israel to become a nation again. (add 1 year for the year "zero" from 745 BC). It is, of course, the date of the American Declaration of Independence when the colonies declared themselves to be "free and independent states" from Britain. By this declaration on the part of the American patriots, the reclaiming of their natural rights of inheritance to Eden, the land of their father Adam, had officially begun, whether they knew it or not. A force was driving them the entire way, which force they acknowledged as the "Divine Providence" of Christianity.

As the events of our heritage would have it, not only was the power of the name of Jesus Christ at work in America's days but our Savior and King was at work among His people during the entire era of Christian Western Civilization.

The name "Lamb Christ Jesus" is eternally bound to the events of the centuries following His resurrection, even tied to the monumental dates of Magna Charta 1215 A.D. (the jury and liberty document of Saxon Englishmen), and the Declaration of Independence 1776 A.D. (reaffirming that heritage of law and the jury). As Paul had admonished our ancestors to "do all in the name of Jesus" (Col. 3:17), our ancestors surely did so knowingly and much unknowingly, as they established the white Christian nations of Europe then colonized and built America the Beautiful.

In the first century Greek language, the original written text of the New Testament, the Greek alphabet letters were also used as their numbers. That is "A" (Alpha), "B" (Beta), "G" (Gamma), "D" (Delta), etc. all had numerical values.

The name "Lamb Christ Jesus", in which all things were to be done, has mathematical and historically prophetic attributes for the Saxon Christians traveling westward on their journey through time and events. Pertaining to

the word Lamb (from I Pet.1:19 of the only true “unblemished Lamb”) when the letters are added together they hold the numerical value of 561 in Greek. The word Christ (from Mat.26:68, where He was struck), in Greek holds the value of 1215, the year that Magna Charta was signed. As we have previously seen, the Greek Name Iesous (Jesus) adds up to 888, the triple number of resurrection, “8” being the first day of a new week after 7.

To establish that Jesus is beyond a doubt the King of our American nation requires testimony of the double witness mentioned in Mat.18:16 & II Cor. 13:1. He has, of course two Biblical “comings”, $888 \times 2 = 1776$, the number of His Kingdom nation. But what of “Christ” (1215) and “Lamb” (561), considering that Magna Charta reaffirmed the Apostolic jury system into Saxondom? Magna Charta having been signed in the year 1215 AD, which year we may observe numbers the same as “Christ” numerically. Adding the “Lamb 561” years to that year we have $1215 \text{ plus } 561 = 1776 = \text{Jesus' Kingdom nation}$, and the signing of the Declaration of Independence of America.

“Doing all in the name Jesus” we see the power and direction of Yahweh God in causing the events of the year of Magna Charta with its forcing of King John to honor Christian liberty. Then bringing the Commonwealth onward into our American law heritage by the Lamb working for us, *His 561 years in effort*, we ultimately find America being born in 1776. Following this, our Land Inheritance (reclaimed) was decreed in 1787 as seen with the Preamble to The Constitution, itself a fulfillment of Psalm 102:14 which will be examined in Part Two of this essay study.

Jesus said, *“I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself”* (Jn.14:2,3) It is to America/Zion where King Jesus will return, since America was Eden in the first place. There is yet more heart inspiring amazing evidence to follow in this essay series concerning the America/Eden story.

In Part Two we will examine more compelling Scripture and geographic revelations that uncover the America/Eden connection. Then in Part Three we will finally see how the Preamble to the Constitution was a statement of Law that was actually a family Inheritance Trust for our rights and precious land as it relates to Adam’s Christian descendants through Abraham’s seed line, and onward to Saxon Christendom.
