The Christian Kingdom counter offensive against unholy spiritism!

Without realizing it, many Christians have been led into the unholy doctrines of Hermetic mysticism while having never heard of this ancient theosophical creed. Although many Saxon patriots know about the Babylonian Talmud, hardly any at all know anything about The Kybalion. “Occult” means hidden, and Hermetic philosophy of the Kybalion has indeed hidden itself inside nearly every religion on Earth, including the various Christian sects. In fact, the Kybalion brags about this infiltration!

Whereas the Babylonian Talmud brought forth the political code known as communism, Hermetic philosophy is a “persuasive belief system” that can keep a follower of Christ in a neutralized state of faith, and is therefore even more dangerous than the Talmud.

God beckons us to become ever diligent “contenders” (Jude 3) and enter into the spiritual training we need to defend our Christian Kingdom by which the apostles of King Jesus were able to “turn the world upside down”. (Acts 17:6) However, spiritism (especially Hermetic spiritism) is not the same as being Scripturally spiritual. But what is spiritual? The Bible says that being spiritual is to love God's laws and His will. (Rom.7:14; Col.1:8,9; Jn.14:15-17).

The Word of God calls us to be delivered from the ancient “spirit esoterics” that have weakened the lambs of Christ for way too long. It is time to become true spiritual rams in the army of God!

For the Remnant in Christ to make it through the trying times ahead, Hermetic theosophy in all its forms must be cast aside. These lessons are not to criticize, rather they are intended to help kingdom Christians regain **absolute** supernatural victory over the ways of the world. The manifested literal help of the Holy Spirit is needed for the victory we seek (I Corinthians 12:7). Yet nearly all Christian assemblies hold to a blend of Scripture teachings impregnated with the seed of Hermetic Kybalion philosophy. Even Christian Kingdom folk have not been immune from being caught up in the alluring web spun by this ancient creed. Let us pray as we investigate a topic little known by most Christians.

The Kybalion doctrine influence in our churches is explained and exposed by the links below:
