

The Female Serpent Of Eden: graphic & picture addendum *(The real power behind all worldly power, exposed by the light of God's Word)*

Yahweh warns both the men and women of Saxon Israel to beware of the deadly religion and government of Nachash/Nodite radical feminism

Above is the constellation Canis Major as viewed in the night sky and discussed in the audio series. The bright star Sirius was called by occultists Isis, Astarte, Ashteroth, and a few other goddess names. Isis ultimately was the feminine serpent goddess (deified) who represented Nachash of Genesis 3.

Here is how the star Sirius appears in the morning sky during the summer “dog days”. (explained in audio # 6 of this series)

Below is a Minoan figurine showing their supreme serpent deity. Note the feminine depiction of the serpent cult. The Minoans lived on Crete and were contemporaneous with Egypt 3000 BC. To the ancients, the serpent deity was not male in gender. They knew Genesis truth better than modern clergy.

Here we have an Egyptian wall relief of the goddess Isis (Sirius). The women devotees hold the serpents (nachashes) of this feminine cult. The child held by Isis is the god Horus. Isis was also known as “The Queen of Heaven”. This “Mother and Child” religion predated Christianity by many centuries then was passed on to Catholicism as the counterfeit “Mary Queen of of Heaven” with babe. The Scriptures teach no such deity as a Mother and Child dual divinity. Horus is not Jesus (Yahshua) the Savior. The ministry of Jesus did not include His mother Mary.

Egyptian and Catholic versions of Isis/Horus.

(The Queen of Heaven and Child – Mariology)

[Jesuit Francisco Suarez 1548-1617 is considered to be the father of Mariology, the Catholic proposal of the Divine Motherhood of Mary and her supposed Assumption into heaven to be with Jesus.]

But perhaps the most interesting “Mother and Child” deity is the one pictured at the left. It is an ancient figure statue unearthed in Ur, Mesopotamia predating the others shown above. It is a snake goddess of Ur nurturing a child on her breast. This offers more archaeological evidence that the “serpent” of religious lore in early ancient civilizations was indeed female. As Bible students know, the word for serpent in Hebrew is Nachash. Since the Ur snake goddess is the “proto-type” for the “Mother and Child” deity, it means that the various Madonnas throughout history morphed into existence from the Ur goddess serpent (i.e. Nachash). Repeated here is the truth that the religious serpent of the long vanished civilizations does not support a modern church view that “the serpent was a male Satan”. The age long contest for Earth’s dominion has always been that of an evil matriarchy of Nachash versus the patriarchy of Yahweh. Many relics such as this one attest to the Bible story that Nachash of Genesis 3:15 and her descendants comprise the “seed of enmity”. The government of this family is known as “Mystery Babylon the Harlot” of Revelation. It is the “power behind the world power”.

Above: Ancient Canaan middle-East drawing of Baal worship. A male figure (priest or king) worships at the asherah poles dedicated to the sky goddess Astarte, the main star shown highest in the drawing, (aka - the star Sirius). Baal worship was actually a service religion of the feminine deity Astarte. Jezebel's priests set up hundreds of asherah throughout Israel (I Ki. 18:19). Regretfully the KJV hides the true meaning of these occult events by mistranslating "asherah" as the word "grove" (See Strong's H #842). Evil Manasseh built Baal altars and made a "grove", an asherah image pole to the sky goddess (2 Ki.21:3). Faithful King Josiah destroyed the "groves" (2 Ki. 23:14). See the KJV footnote on this verse where it reads for "groves" – *female symbols*. Josiah destroyed the cult of radical feminism (Astarte worship) which began with Nachash the female "serpent" usurer.

Because of the sins of the men of the nation, Yahweh says:

"Children (college grad crowd) are their oppressors, and women (radical feminists) rule over them" Isaiah 3:12

OCCULT MATH OF THE GREAT PYRAMID DEADLY FEMALE CULT

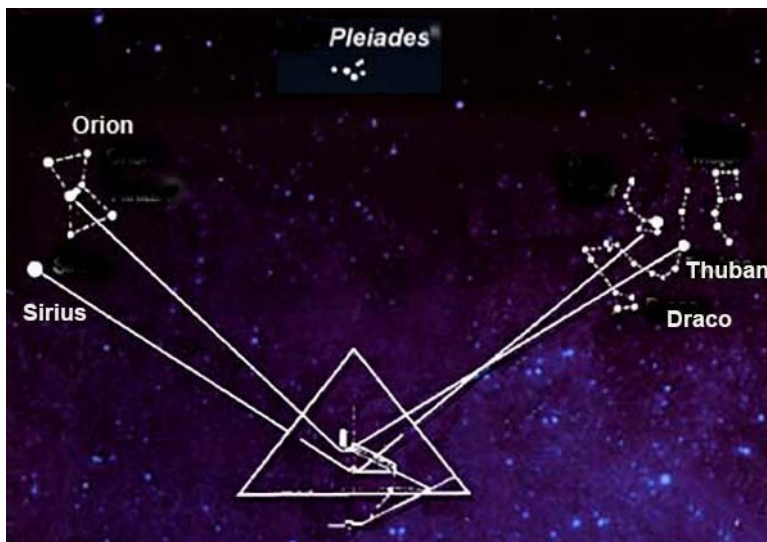

YRAM

gram = Mary said backwards, a mystic incantation. (pronounced yer-am)

P,---I,D

PID = PI times D

The number PI= 3.14159. D= the diameter of a circle. 3.14159 x diameter of a circle gives an exact circle circumference within which a pyramid's four corners can be placed making a precise construction. In this case for accurate star alignment. [Books claiming the Great Pyramid to be a prophetic time guide for Adamic history and thus built by Seth, Enoch, etc. are in error mathematically and historically, although the authors probably meant well. The star step pyramids were never Adamic, but rather Nachash/Nodite built. They were/are altars of the Sirius Nachash star cult.]

The main shafts of the Great Pyramid in Egypt (shown above) are aligned to the star Sirius and the constellation Orion on one side; and with the constellation Draco (The Dragon) on the other side. Egyptian occult legend claims that Isis (Sirius) mated with Orion to bear Horus, an omnipresent sky god who possesses an *all seeing eye* over the heavens and Earth. The Great Pyramid was never of Adamic Israelitish construction, but rather was an altar to The Queen of Heaven (Sirius) whose name down through history has included Isis=Astarte=Ashtoreth=counterfeit Mary, and others, but all represent Nachash the feminine “serpent” of Eden. The ancient pyramids were overzealous efforts of the Nachash/Nodites to achieve communication from imagined “deceased sky spirits” in their attempt to secure the Earth for the matriarch rule of their deified feminine goddess mother. Since the pyramid gods “remained silent”, the Nachash/Nodites today are fanatically utilizing the ever growing high tech industry in an all out blitz to forever dethrone the patriarchy of Yahweh Almighty, administered by His son Jesus (Yahshua) the Christ, our King of Kings. They will not win this war and were defeated by Christ’s resurrection.

As liberals push for open borders the below shows the real reason why – subversion of white Christian heritage.

**Non-Scriptural Pyramid Temple closer to home in the western hemisphere.
Central American population now invades the USA with the 91st day religion
of a bizarre combination of Catholic and Mayan veneration of Mariology.**

91 steps to each four sides of this pyramid in Chichen Itza, Mexico divide Mayan year rituals. Our Christian Bible has no such holy day yearly division as 91 days, but rather has 8 Feast Days throughout the year that tell the story of our salvation by The Lamb of God. Will we be following Mayan or Christian heritage in the USA?

Above is a photo of the appropriately named Serpent Pyramid located in Chichen Itza, Mexico. It is an ancient Mayan Pyramid Temple. Each side has a set of 91 steps dividing the year into four calendar parts. $91 \times 4 = 364$ days. The quartered calendar days were each holy days, and the 365th day was represented by the top flat pyramid apex. On the 365th day a human sacrifice was performed by the Mayan priests (at pyramid top) where the victims heart was cut out while he/she was still alive. The still beating heart was held up to the sky gods in hopes of blessings upon the Mayan nation, era 250AD, Mesoamerica today (Southern Mexico, Guatemala, Belize). The Mayan deity in honor was the sub-deity Quetzalcoatl, equivalent to the Egyptian Horus, son of a supreme mother-father deity. [*“Today, several million Maya practice a Roman Catholicism that retains many elements of traditional Mayan religion ... Astronomy, divination, human sacrifice, elaborate burial for royalty, worship in stone pyramid-temples.”* Source on Mayan studies: Religionfacts.com March 17, 2015]

Above is a bronze Egyptian plate showing the “Eye of Horus” (the omnipresent god child of Sirius/Isis and Orion) who watches over the heavens and Earth for the supposed gods.

Below: The only lawful USA seal.

Nachash/Nodite infiltration into America

At right is a picture of the pyramid from the unlawful reverse side of the Great Seal of the USA. This side of the seal was never made into a die stamp and was never used on any document of the USA. The front side of The Seal is our Israel eagle with olive branch and arrows. It alone is the USA official national seal and was made the die stamp of the American Republic government. In violation of Yahweh’s commands this pyramid is an altar to Isis made of hewn stone crafted by human effort. (Ex.20:25,26). The eye of Horus is above the pyramid, while the light behind it is that of the star Sirius (Isis/Nachash – the feminine serpent goddess). The “power behind the power” has always been that of the clandestine matriarch religion of star worship of Sirius (Nachash). The star cult has offered sacrifices of individuals, animals, and whole nations, to their deified Nachash (Sirius) for the last 6000 years, and they continue to do so. They are financed by their servants of Jewish international banking, international drug cartels (sorcery), and international religions of Roman Catholicism (Papists) and Neocon Evangelical (Zionists). Their murderous branch is Bolshevik Communism. The Bible calls this collective system Mystery Babylon the Whore of Rev. 17:1,5. The false doctrine of a “Satan fallen angel” was invented by Mystery Babylon to distract from the shocking truth of Scripture and recorded history --- the “serpent” who tempted Eve was a mortal female. The battle of the eons for dominion of the Earth is that of a worldly matriarchy of Nachash versus the heavenly patriarchy of Yahweh manifested in King Jesus/Yahshua. Let us repent of our personal and national sins and pray to our Heavenly Father, “*Thy Kingdom come, thy will be done in Earth as it is in Heaven.*” (Matthew 6:10)

The remnant in Christ need not fall under any captivity to Mystery Babylon (Lk. 21:36; Ps.23:4-6)
