

Luke 21:26 The Powers of Heaven -- Two MeaningsKenneth W. Lent Ezra98@peoplepc.com

The 21st chapter of the book of Luke provides us with Christ's description of events which will precede His second coming. These include many wars, various earthquakes reported, false religious doctrines, and a deceived world in general. So much is contained in every verse of this chapter that we should be compelled to study each verse in depth in order to more fully comprehend that The Almighty's plan is unfolding before our eyes, and that we are drawing nearer to the return of our King, the Holy One of Saxon Israel. ("Saacs-sons" coming from the reference to the sons of Isaac, the physical seed line of Israelites who now have the name Christians)

Verse 26 reads, "*Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.*"

This is but one sign we are told to observe which testifies that Christ's return is imminent. But what is meant by "the powers of heaven"? The Bible student may well take note that this has a two fold meaning, one physical and one spiritual, both of which are applicable to the times in which we find ourselves. Literal Scripture translations of this phrase such as The Concordant Greek Text or The Interlinear Greek/English New Testament show that this is more precisely translated "Force of the heavens".

One meaning can be viewed from a physical aspect where this verse has a significant scientific awareness of events that would befall us in the last of the last days. The word "powers" or "force" here is the Greek word *Doo-nam-is* (Strong's Greek # 1411) having the primary meaning "*strength power, ability, inherent power, power residing in a thing by virtue of its nature, or which a person or thing exerts and puts forth*".

The word for "heavens" here is the Greek word *Oo-ran-os* (Strong's Greek # 3772) having the primary meaning "*the vaulted expanse of the sky with all things visible in it; the universe, the world*".

Science has now caught up with God's Word contained herein, as we now know that the universe is made up of atomic and sub atomic particles, and those particles make up a force which holds all things together and constitute a particular order of arrangement. Jesus Christ told us that this universal power (atomic) "shall be shaken" before He would return. The Greek word "shaken" here is *Sal-yoo-o* (Strong's Greek #4531) and means "*to agitate or shake; to cause to totter; overthrow*". By the method of splitting the atom, the force of nature (powers of the heavens) are "shaken and overthrown". Jesus said that when this happened men would have great fear. There has probably been no greater fear internationally over the last two generations than that of an all out global nuclear war, or lingering death by radiation exposure of a nuclear plant that has suffered a catastrophic breakdown.

Hopefully the reader has been involved in some Saxon Israel Christian Kingdom fellowship or similar Internet Ministry, and therefore knows by now that America constitutes the prophesied regathered tribes of Israel into their New Jerusalem. Because of our nation's sins of repudiating God's laws and allowing the antichrists to rule the land, the Scriptures teach that Ezekiel 38 will take place in America (not in the false Israeli middle east state). Gog and Magog, comprised of Asian, the Khazar Orient part of Russia, Middle East, and African forces are to be God's chastening rod against our people to bring us back to repentance.

To what extent the "powers of heaven" (nuclear explosions and/or any massive nuke radiation) will be seen in this land, we don't know. But the promise that *"men's hearts will fail them for fear"* surely may preclude the fact that they will have witnessed first hand the awesome results of nature as it's atomic structure is shaken and agitated. Limited tactical nuclear charges that will destroy a nation's military structure without killing all in the land has been in the making for both eastern and western strategy for a while now. Nuclear electric plant sabotage is potentially nearly as bad. Americans need not be so smug to think "it can't happen here".

The second meaning of Luke 21:26 is spiritually defined from cross referencing the Scriptures. The "shaking of heaven" also signifies a great disruption of the governments of men by action of the Holy Spirit. In Genesis 37 verses 9 & 10 we remember that Joseph had a dream where the sun, moon, and eleven stars bowed down to him. Jacob interpreted the dream to mean that Joseph would some day rule over his family of father, mother, and eleven brothers. This of course happened when Joseph, through a series of circumstances, gained a high governmental position in Egypt, eventually saving his family from famine. Thus the sun, and stars represent the House of Jacob's position of government in the Earth, with the moon being the feminine symbol of Israel's women. The Bible history of Jacob's/Israel's descendants is one where Yahweh God would bless them and lift them up if they ruled in righteousness, or shake them to their foundations and bring them down if they ruled in evil. The Almighty does the same with heathen nations used for His purpose. Only He can raise up a ruler and bring him down.

In Matthew 24:29, 30 we read,

"Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:

And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory."

History has revealed a rise in power to great rulership in the Earth by Jacob's offspring as they traveled into Western Europe establishing the Christian nations and then coming Westward to North America. As they trekked in a westward migration the Holy Scriptures was the predominant law book of these Saxon Christian people, with God Almighty blessing them with the eventual power of America The Beautiful. But following prosperity, our people have corrupted themselves by merging our God given

government with evil doers of international Jewish (Cainite/Edomite) banking. Thus instead of having a Christian Commonwealth Republic as intended in 1776 - 87, we now see Jacob's latter day American family (the stars of heaven, Saxon Christendom) exporting wickedness and international democracy which has placed the world at the mercy of the wicked money lenders.

The original USA Constitution of 1787 secured the liberty for all Saxons in the land to administer a righteous Commonwealth for the Christian family and nation. The early Founders did their part, but their gallant efforts were soon forgotten by the next generations of Americans. Failing to rise to our duty to maintain the Divine Kingdom laws in the Earth, the world has now become host to various overbearing governments of men (various "stars"). God's Word warns us that these "heavenly host" will be "shaken" and removed by the KING of Kings. All this, of course, takes place on the Earth with the word "heavenly" being jurisdictional in scope. There has always been a fight for the "high places" of rulership between good and evil.

Yahweh God's Kingdom government is Scripturally referred to as "a Kingdom which cannot be moved (shaken)" while the wicked governments of men (whether of Jacob's corrupt offspring or of the heathen) will eventually be "shaken" and removed. Paul the Apostle tells us of this symbolic shaking of heaven and Earth in the book of Hebrews, which results in the fullness of God's Kingdom. As we read from Hebrews 12 below keep in mind that Jesus Christ told us that God's Kingdom would be a nation (Matthew 21:43)

Hebrews 12: 25 *See that ye refuse not him that speaketh. (The Almighty) For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven:*

26 *Whose voice then shook the earth: but now he hath promised, saying, Yet once more I shake not the earth only, but also heaven.*

27 *And this word, Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain.*

28 *Wherefore we receiving a kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear:*

29 *For our God is a consuming fire. (that is, He can come with this judgment)*

Both meanings of Luke 21:26 may be taken to act in unison, even though one is physical and one is spiritual. The "shaking" of the powers of heaven translates to: (1) the rise in knowledge of how to split the atom, along with (2) it's very usage to bring the nations governments (stars of heaven) to be "shaken, fall, and be consumed" by the divine hand of God over all circumstances. This leaves us with a very graphic prophecy of the end times as given to us by our Master when He walked the Earth. It would be wise on the part of the remnant to get out of the big city target areas which will be focal points of a fiery trial, come judgment day for America. It appears that this judgment is coming in progressive degrees since we reap what we sow. Indeed, in all respects we may consider our chastisement to have already begun as our King of kings will not be mocked. The fullness of His Kingdom is arriving. Blessings to the Remnant in Christ.
