## **The New World Order is a poisoned candy apple (Upcoming young generation – do not be fooled!)**

The New World Order humanist system of government is the ultimate political deception, claiming that it will provide a utopia for Earth and herald in an age of:

**Peace on Earth**

**Harmony of the races**

**Prosperity for all**

**No more wars**

**Prejudice abolished**

**Freedom and happiness for everybody**

As the old saying goes, "If something sounds too good to be true, it usually is." Let's realize some facts and become aware of what the leaders in this so called New World Order are really up to.

The promises listed above are being made to the new generation of Americans by promoters of the New World Order, a global community of nations where laws will eventually be issued from a "world governing council" instead of from individual nations. Most of the world's leaders are now urging their respective nations to join in this new concept for supposed world unity. But are we actually expected to believe that the world's leaders ever had the family centered working population in mind for a fair shake on any matter? Remember, in the last few generations alone the leaders who run the world have brought us WWI, WWII, Korea, Vietnam, "911", and a drawn out mid east war. ("Fool me once shame on you, fool me twice, shame on me." – George Bush never could get it right.) Yet fooled the public assuredly and repeatedly is, all because up until now at least, many people have taken for granted the liberties which were secured for us at the cost of the patriots' blood of our early Christian American ancestors. The wars of 1776 and 1812 were the last American wars fought for any true value of freedom and liberty. Since that time we have been bogged down with wars, inflations, depressions, and "emergencies" designed to ruin an independent America and force our nation into a conglomerate world union controlled by a money elite where all people will become slaves to satisfy their monopoly on wealth.

Whatever one's take is on what really happened with WWII, it would be expedient to note what this high ranking German officer admitted:

*"Naturally the common people don't want war: Neither in Russia, nor in England, nor for that matter in Germany. That is understood. But, after all, it is the leaders of the*

*country who determine the policy and it is always a simple matter to drag the people along, whether it is a democracy, or a fascist dictatorship, or a parliament, or a communist dictatorship. Voice or no voice, the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them they are being attacked, and denounce the peacemakers for lack of patriotism and exposing the country to danger. It works the same in any country."* Hermann Goering, President of the Reichstag, Nazi Party, and Luftwaffe Commander in Chief. (Gustave Gilbert conversations with Goering, Nuremberg Diary April 18, 1946)

Sound familiar?? Are any gears beginning to turn upstairs yet? How does this statement relate to America today that is told it is under an attack by international terrorism? And just who are the real terrorists anyhow?

A diligent case study of history and political institutions reveal that the actual reason we are being subjected to a non stop promotional blitz to sell everyone on the idea of a New World Order, is not out of concern for world peace and harmony. On the contrary, it is being programmed into the thinking process as part of an agenda dictated by a group of financially powerful international bandits (an elite monetary ruling class if we want to be specific). Our universities long ago bought into the "global community" madness and have heavily contributed to our becoming a nation of naive tax payers supporting a system that is self destructive by its very nature.

*"Education should aim at destroying free will so that after pupils are thus schooled they will be incapable . . . of thinking or acting otherwise than as their school masters would have wished."* -- Bertrand Russell, quoting the beliefs of Johann Gottlieb Fichte, head of philosophy, including psychology, University of Berlin, circa 1810

The world's powerful money manipulators realize that it is much easier to control one mass unit of people in a single global jurisdiction, than it is to control hundreds of fragmented independent sovereign nations. "Control for what purpose?", you may ask. The answer: To maintain their present status quo of scamming the nations out of trillions of \$\$\$ of interest profits through their world banking system. This monetary system has been forced upon virtually every nation of the world. Incidentally, our U.S. Federal Reserve Bank is part of the world banking system.

It's all about money because money is the world's god. And there just happen to be certain people who will do whatever is in their power to get as much of it and keep as much of it as is mathematically possible. Let's remember the bottom line on this idea:

*"For the love of money is the root of all evil; while some coveted after, they erred from the faith, and pierced themselves through with many sorrows."* The Holy Bible, I Timothy 6:10

*"The fact that the House of Rothschild made its money in the great crashes of history and the great wars of history, the very period when others lost their money, is beyond question."* E.C. Knuth, *Empire of the City*, pg.71

*"To put it quite bluntly, the purpose of wars is to compel weaker nations to take surpluses off the hands of the stronger, running up debts if need be in order to pay for it. Then, the threat of further war is necessary to insure that the debts and the interest on them shall not be repudiated."* Nobel Prize winner Frederick Soddy (Professor Oxford University, London), *The Role of Money*, 1934, pg.18

The basic premise of this matrix is that wars will presently suffice for this era as the primary money making tool for the international money manipulators. When nations are eliminated, the proposed end product will be one big world wide labor union working for the elite, with state privileges granted by Big Brother as the governing power. Final control of *all* economies is the goal. This of course is all being accomplished by a process of "gradualism" over several centuries, but has now increased in speed over the last few decades.

Our God given rights have *slowly been chipped away* as any enormous radical attempt to strip the people of their rights would have been met with an uprising of great magnitude. Remember, there was a time when your grandfather did not need a state driver's license to drive on the road. Nor did his father need a state license to marry the one he loved. When America was cognizant of its liberty based Christian origin nobody even needed a license to own a dog. Traveling by any means on the public road (including by automobile), marrying your sweetheart, and owning animals are just a few of the many God given rights rooted in the commandments in the Scriptures, and supported in the founding documents and laws of this nation.

States are trampling our God given rights with impunity by requiring license fees for activities that are actually rights we have inherited as natural born free men. Legislative bodies at all levels of government have stolen our rights and now sell them back to the people as licenses and permits. The Federal and State Governments find themselves forced to collect these license fees to exist because they have entered into the unlawful interest bearing debt money system of the globalists' banks. Even though a state tax may pay a road crew and purchase the materials needed to pave the road, all costs are eventually funneled back into the interest banks where all "credit dollars" come from in the first place. The entire economic system operates on *borrowed money* which must be paid back to the bank plus whatever interest the bank demands.

It has become unnaturally expensive to live in an interest debt credit society. Additionally the state has discovered that it can forcibly rob the people through unlawful taxes and license fees to "keep the system going" within the unlawful money system. The people however are told that *they* must labor instead of robbing by force to pay for the "privilege" of living in the same interest money system as the bureaucratic government agencies. Under a lawful money system, services provided by any government agency is paid for by excise taxes amounting to somewhere around 3% of our accumulated wealth with no income tax, property tax, licenses with fees, etc. needed. The buying power of everyone is increased tremendously under an interest free economic system but the people have been "schooled" to not question the status quo

banking agenda. This small percentage would fall within and even below the tithing range of economics taught in the Holy Bible, a lesson left for another commentary.

The history of the international banking society goes back thousands of years, so actually the "New World Order" isn't anything new at all. It has been known by different names down through the annals of history. Whatever name you give it: "Mystery Babylon", "Socialism", "Illuminati", "Cabal Talmudism", "Communism", "World Democracy", the results are always the same for the people of the world. That is, the international bankers reap untold profits on interest charges to finance wars, create depressions, or permit "boom and bust" cycles; while the people get military conflicts, high taxes, poverty, and loss of liberties. The standard operating procedure of this world wide den of thieves has always been to install a strong federal central government to control the people of any nation; or when possible, bringing multiple nations under a financial dictatorship with one seat of government.

In fact, the history of the nations has been a cycle of the international bankers gaining control of societies, oppressive measures being installed by them to maintain control, and finally the people liberating themselves from the bankers after a long train of abuses. However, with today's high technology at the disposal of the money elite, the deception is greater, their enforcement more powerful, and the stakes higher than ever before. The "game" is now being played for total domination of the entire planet and a weakening of the American will for independence is crucial to their program.

The New World Order tools for breaking down American resistance consists of, but not limited to: 1) Endorsing government sanctioned tax exempt religious denominations whose tax exemption is used as a method of control. (preachers are kept in check by threat of revoking the tax exemption). 2) Banning historical facts from public school and university educational courses. 3) Sports and entertainment fanaticism to the point of mental distraction from the real issues. 4) Breeding out of the white Christian people (the wholesome family heritage who established and built America as the former "home of the brave"). 4) Replacing real ecological concerns with Federal and U.N.land grabs within America in the name of environmentalism. 5) The mind manipulating of our own police forces to be used against the American population. 6) The disarming of the population

Internationalism for America means no more God given rights for you! Christian Liberty and World Government simply do not and cannot mix as they are diametrically opposed to each other. White Christian independent responsible local governing people are perfectly capable of owning private property and maintaining it without any centralist government overseers taking care of them from cradle to grave. We didn't need it in 1776 and we don't need it now. Even atheists among us reap the benefits of the heavenly blessings bestowed upon us because of our beginnings as a Bible based nation. Therefore, all Americans should be against those who want to take away our sacred rights. But Americans have been systematically and intentionally kept in the dark as to the covert operations of the global government promoters. Perhaps the readers will consider solidifying their awareness a bit more by reading the below verifiable quotes (along with their references) from these famous figures of history:

*"There is a sinister influence at work in our country, which if it is not checked, intends to completely undermine the original purpose of the formation of our government ... which for purposes of deception, they would call "a world's democracy." ... it would be the privilege of a few to rule in splendor, and the fate of the many to spend their lives in unrequited toil and that hopeless condition of servitude..."* Congressman Charles A. Lindbergh, Sr. --his speech from the Congressional Record, Washington D.C., July 5, 1916

*"We are grateful to the Washington Post, The New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years ... It would have been impossible for us to develop our plan for the world if we would have been subject to the bright lights of publicity during those years. But, the world is now more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectuals elite and world bankers is surely preferable to the national determination in past centuries."* David Rockefeller; June 1991 Bilderberger Conference speech, Baden, Germany

*"Permit me to issue and control the money of a nation, and I care not who make its laws".* International banker Meyer Amschel Rothschild, 1773 (Money! Questions and Answers; C.E. Coughlin, page 76)

*"... the world is governed by very different personages from what is imagined by those who are not behind the scenes."* Prime Minister of England Disraeli (during reign of Queen Victoria) Coningsby, by Disraeli; Longmans Co., 1881, page 252

*"Under Socialism you would not be allowed to be poor. You would be forcibly fed, clothed, lodged, taught, and employed whether you liked it or not. If it were discovered that you had not the character and industry enough to be worth all this trouble, you might possibly be executed in a kindly manner. . . ."* Fabian Socialist Bernard Shaw in his Intelligent Woman's Guide to Socialism and Capitalism, 1928.

*"The amount of our National Debt is the measure of our enslavement to Jewish World Finance."* Henry Ford Sr. (founder of Ford Motor Co.) The Dearborn Independent Newspaper, Dearborn Michigan, May 1922

*"The depression was the calculated 'shearing' of the public by the World Money powers, triggered by the planned sudden shortage of supply of call money in the New York money market....The One World Government leaders and their ever close bankers have now acquired full control of the money and credit machinery of the U.S. via the creation of the privately owned Federal Reserve Bank."* Curtis Dall, FDR's son-in-law as quoted in his book, My Exploited Father-in-Law

*"Since March 9, 1933, the United States has been in a state of national emergency. A majority of the people of the United States have their lives under emergency rule. For 40 years freedoms and governmental procedures, guaranteed by the Constitution have, in*

*varying degrees, been abridged by laws brought forth by states of national emergency."* Senate Report 93-549 (1973).

*"We will succeed in the Gulf. And when we do, the world community will have sent an enduring warning to any dictator or despot, present or future, who contemplates outlaw aggression. The world can therefore seize this opportunity to fulfill the long-held promise of a new world order - where brutality will go unrewarded, and aggression will meet collective resistance."* President George Bush State of the Union Address 1991

*"Today, America would be outraged if U.N. troops entered Los Angeles to restore order. Tomorrow they will be grateful! This is especially true if they were told that there were an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will plead to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well-being granted to them by the World Government."* Dr. Henry Kissinger, Bilderberger Conference, Evians, France, 1991

*"Woe to you, scribes and Pharisees, hypocrites .... you kill good prophets and wise men ... you are guilty of all righteous blood shed on the Earth."* Jesus Christ speaking to the Jewish Judean political and religious leaders of His day in the Book of Matthew 23:1, 29- 35 from The Holy Bible.

All of this however is happening right on schedule and according to the the plans of Yahweh God Almighty. After the ungodly have worked for centuries to establish their rule over the Earth, and think they have secured Earth's throne, our King of Kings Jesus Christ will topple their house of cards.

Daniel the prophet was a man given the gift of interpreting dreams and visions. Yahweh God gave Daniel a vision of the history of the major types of man kingdoms (governments) that would arise on the Earth. In four major divisions of political implementation these are represented as Babylon, MedoPersia, Greece, and Rome. In Daniel 7:7 the fourth world system "devours" the previous wicked system which means that it "consumes" and incorporates into itself the evil philosophies of the three previous kingdoms. The "spirit" of this Earthly kingdom's laws were to continue long after physical Rome had past, which is where we find ourselves today in dealing with antichrist world globalism. The present schemes of The New World Order reflect the worst of Rome, Greece, MedoPersia, and Babylon combined.

Daniel chapter 7: 15 *"I Daniel was grieved in my spirit in the midst of my body, and the visions of my head troubled me.*

*16 I came near unto one of them that stood by, and asked him the truth of all this. So he told me, and made me know the interpretation of the things.*

*17 These great beasts, which are four, are four kings, which shall arise out of the earth."*

(Yet we see the promise of victory for God's faithful people in the next verse, and repeated in verse 27.) *18 But the saints of the most High shall take the kingdom, and possess the kingdom for ever, even for ever and ever.*

27 *And the kingdom and dominion, and the greatness of the kingdom UNDER the whole heaven (on Earth), shall be given to the people of the saints of the most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey Him."*

John on the Isle of Patmos also saw a vision related to Daniel's vision of Christ's end time victory over the world order.

Revelation chapter 19:11 *"And I saw heaven opened, and behold a white horse; and He that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.*

12 *His eyes were as a flame of fire, and on His head were many crowns; and He had a name written, that no man knew, but He himself.*

13 *And He was clothed with a vesture dipped in blood: and His name is called The Word of God.*

14 *And the armies which were in heaven followed Him upon white horses, clothed in fine linen, white and clean.*

15 *And out of His mouth goeth a sharp sword, that with it He should smite the nations: and He shall rule them with a rod of iron: and He treadeth the winepress of the fierceness and wrath of Almighty God.*

16 *And He hath on His vesture and on His thigh a name written, KING OF KINGS, AND RULER OF RULERS."*

The Psalmist as well wrote of The Almighty's final word concerning those in the Earth who plot against His righteous standards:

Psalm 52:1 *"Why boastest thou thyself in mischief, O mighty man? the goodness of God endureth continually.*

2 *Thy tongue deviseth mischiefs; like a sharp razor, working deceitfully.*

3 *Thou lovest evil more than good; and lying rather than to speak righteousness. Selah.*

4 *Thou lovest all devouring words, O thou deceitful tongue.*

5 *God shall likewise destroy thee for ever, he shall take thee away, and pluck thee out of thy dwelling place, and root thee out of the land of the living.*

Psalm 37:12 *"The wicked plotteth against the just, and gnasheth upon him with his teeth.*

13 *Yahweh God shall laugh at him: for he seeth that his day is coming.*

14 *The wicked have drawn out the sword, and have bent their bow, to cast down the poor and needy, and to slay such as be of upright conversation.*

15 *Their sword shall enter into their own heart, and their bows shall be broken."*

Try as they may in rebelling against the One who made the heavens and the Earth, Yahweh will not let the New World Order of secular atheists succeed in their plans to rule the planet. The victory is God's through the person of His only begotten son Yahvashua (Jesus) Christ our King and Kinsman Redeemer. Praise be to Yahweh !!

End note -- **For Christians still attending their Judeo Churches, here's a continuing related study proving the New World Order to actually be a religious war of fanatic Babylonian Talmudic Judaism upon white Christian western civilization. >> [NOAHIDE LAWS](#)**
