

## **NOAHIDE LAWS:**

The *Real* New World Order Plan for global regulation goes way beyond politics.

Governmentally, this is the untold truth that sleeping Christians need to hear in order to survive in the near future. Christendom must begin to realize that the eventual enforcement of the seldom mentioned Noahide Laws is the engine that actually drives the so called New World Order.

What's more is that the US government has already recognized these strange set of edicts as a new direction in law. (big mistake here) While our nation was sidetracked and slumbering, President George Bush Sr. and Congress officially recognized the Babylonian Talmud's little known and rarely publicized all encompassing "Noahide Laws" of proposed super state forced "benefits" upon the entire world. These laws were officially adopted and proclaimed by President Bush Sr. and Congress by the passage of Public Law 102-14., March 20th, 1991. It is to no surprise that Barack Obama also supports the pursuance of this internationally based public policy as a way to provide a "moral compass" (Obama's words) in guiding America's youth down the Talmudic path of values. (See Obama's 'Proclamation' April 3, 2009 - end of this article) What the Noahide international law entails is a belief system based upon Babylonian Judaic values enforced by a 21<sup>st</sup> century quasi version of the Edomite Herodian dynasty that captured Judea in the time of Christ, having murdered our Savior in the old world Jerusalem.

Just as the congenial sounding "Patriot Act" is being used to strip away Constitutionally protected rights, the recognition of the Noahide Laws has been done under the guise of the unoffending name "Education Day". This is typical of the sleight of hand maneuvering of "legalism" promulgated by the One World Government clan among us. Originally mandated "Education and Sharing Day", this day was set aside by the United States Congress in honor of Rabbi Menachem Mendel Schneerson's the Lubavitcher Rebbe (1902-1994). The Rabbi was dedicated to promoting a Talmudic education world wide plan for Jews and non-Jews. This supposed "Education Day" was first inaugurated April 18, 1978, by President Jimmy Carter, with the '91 Bush proclamation to define it as "Noahide". What are the ramifications of this Talmud centered day as far as American civilization is concerned? Primarily, it attempts to supplant the pillar of all laws, the Ten Commandments and God's Laws as listed in our Christian Bible (upon which the true laws of Western civilization were based,) with a set of seven regulations established as "traditions of men" proclaimed to be universal in nature.

Make no mistake about this: The Noahide Laws have nothing to do with the real person Noah we read about in the book of Genesis in the Christian Bible. They are a sugar coated but very dangerous rendition of "universal morals" as perceived by Babylonian Talmudic interpretations of the Torah, and imposed on an unsuspecting world

in the name of "fairness and brotherhood". In the days of Jesus Christ these set of religious traditions were known as "The Tradition of the Elders", which Christ Himself condemned as being spurious.

Mark 7:9 *"And He (Jesus) said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition."*

*"The Talmud, then, is the written form of that which, in the time of Jesus, was called the Traditions of the Elders, and to which he makes frequent allusions."* (What Is The Talmud, by M.L. Rodkinson, New Amsterdam Book Co., Chicago, 1894, Chapter IX)

Contrary to the Talmud's peculiar set of international Jewish social values, we remember that Andrew Jackson, President of the United States of America from 1829 - 1837 stated, *"The Bible is the rock on which this Republic rests."*

Below is the Noahide endorsement of law made by Congress of the Bush Sr. Administration in 1991, and we can see that it nowhere mentions the Bible as being the foundational rock of our American Republic. The signing was complimented and furthered by a suggested *"international scroll of honor signed by the President of the United States and other heads of state"*, making room for an international United Nations agreement to revoke the Christian Bible as the fundamental foundation of law in America in favor of the Babylonian Talmud's rendition/interpretation of "universal law" as the code of man upon the Earth -- namely, The Noahide Laws. Almost unheard of by today's Christian population, this is a radical revolutionary attack against the truth that the foundation of America and all Western civilization was based upon the Christian Holy Bible in law. Dear Brothers and Sisters, it is imperative to study the implications of the Noahide Laws as this is where the world elite are really heading the global population.

Public Law 102-14

102d Congress

Joint Resolution

Mar. 20. 1991

[H.J Res 104] To designate March 26. 1991, as "Education Day. U. S. A."

*"Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our, great Nation was founded;*

*Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws;*

*Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;*

*Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;*

*Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;*

*Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;*

*Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991:*

*Whereas in tribute to this great spiritual leader, "the rebbe", this, his ninetieth year will be seen as one of "education and giving", the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws: and*

*Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state:*

*Now, therefore, be it Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavitch movement. is designated as "Education Day. U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities."*

Let's see what the "fine print" of these world laws are anyway:

#### THE SEVEN NOAHIDE LAWS

(The management): *"The Jew has a crucial role to play in this. He cannot be a bystander, remaining aloof from the world's conduct. Every Jew has the obligation to ensure that all the people of the world observe the Seven Noachide Laws."*

(The forced benefit): *"It is through the observance of the Seven Noachide Laws that the entire world becomes a decent, productive place, a fitting receptacle for the Divine"*

*Source of both above quotes from >> <http://www.ahavat-israel.com/am/goyim.php>*

The list of the international Noahide laws:

1. Avodah Zarah: Prohibition on idolatry..
2. Birchat HaShem: Prohibition on blasphemy and cursing the Name of G-d.
3. Shefichat Damim: Prohibition on murder.
4. Gezel: Prohibition on robbery and theft.
5. Gilui Arayot: Prohibition on immorality and forbidden sexual relations.
6. Ever Min HaChay: Prohibition on removing and eating a limb from a live animal.
7. Dinim: Requirement to establish a justice system and courts of law to enforce the other 6 laws.

These "laws" are all vague and subject to various interpretation by Noahide judges and Talmudic law. "God", of course, is deemed to be the god of the Babylonian Talmud, and not of the Christian Bible, or any other faith book for that matter. Readers please take note that the word "God" in the Talmud not only means the deity of the Jews, but "God" also refers to any *social law of state* itself that may be broken, as this is so stated in the Talmud quote below:

*"Now 'God' may rightly refer to social laws, as it is written ---" (Sanhedrin 56b, Soncino Babylonian Talmud, 1935 - 1948)*

The trickery and simultaneous seriousness of this application of Talmudic administration is that if anyone *breaks a state social law* under the Noahide jurisdiction they have committed "idolatry" against "God" ( the social law edict) and they are worthy of death. Sleeping Christian Americans, you have absolutely got to get a handle on this. This is not about right vs left, Republican vs Democrat, or any other person, movement, or group that is presently oblivious to the NWO Noahide agenda. It is about Christ hating socialist world planners wanting to rule the planet according to their perverted sense of "social justice". (Such as what we have seen them do to the Palestinians)

If the above Noahide regulations still seem obscure, harmless, or even "benevolent", to the Christian skeptic, let us be keenly aware that it was because of a violation of "tradition number two" "blasphemy" (above) by which the Pharisaic religious leaders had Jesus Christ crucified upon the cross for blasphemy.

*Matthew 26:65 "Then the high priest rent his clothes, saying, He (Jesus) hath spoken blasphemy; what further need have we of witnesses? behold, now ye have heard his blasphemy."*

*Mark 14:64 "Ye have heard the blasphemy: what think ye? And they all condemned Him to be guilty of death."*

Additionally, Noahide law number one leaves the definition of "idolatry" placed squarely upon the teachings of the Babylonian Talmud. This would include how to classify Christians who profess Jesus Christ as God come in the flesh. All such professing Christians are deemed guilty under this "universal" Noahide communal law. Not yet highly publicized or enforced in America because of the still large remaining Christian gun toting population, Israeli "Torah scholars" have privately divulged this order from that nation:

*"The Torah maintains that the righteous of all nations have a place in the World to Come. But not all religious Gentiles earn eternal life by virtue of observing their religion...And while the Christians do generally accept the Hebrew Bible as truly from God, many of them (those who accept the so-called divinity of Jesus) are idolaters according to the Torah, punishable by death, and certainly will not enjoy the World to Come." Source link--[Israeli Mechon-Mamre website](#), June 26, 2000; Updated Jan.2008; 12 Hayyim Vital St., Jerusalem, Occupied Palestine. ("Mechon Mamre is a small group of Torah scholars in Israel..."). [You may wish to copy and save their statements before they edit or remove them]*

In fact, under the active administration of the coming Noahide International Community, a Christian who will *not deny* that Jesus Christ is "God come in the flesh" is subject to beheading.

The Talmud states the penalty for disobedience: *"One additional element of greater severity is that violation of any one of the seven laws subjects the Noahide to capital punishment by decapitation. (Sanh. 56A, 57A)"* (reference too, Sukkah 52a).

*"A heathen (non Jew) is executed for the violation of the seven Noachian laws; the Divine Law having revealed this of one [murder], it applies to all (Noachian laws)"* - (Tractate Sanhedrin Folio 57a - Soncino Babylonian Talmud, 1935 - 1948)

Now if you are a Christian who has heard absolutely nothing about the facts mentioned in this article, and think that these things are "way out there" and/or "unreal" – let's be reminded of the prophecy of the revelation of OUR KING, Jesus Christ Himself, given to John the Apostle in the Word of God, your Holy Book, the Bible of your Faith! It reads as follows:

Revelation 20:4 *"And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years."* This has been the fate of Christians when antiChrists take over as history has already proven. The Bible and history tell the same story. This is the same penalty given to "criminals" under the coming international Noahide Laws naively endorsed by the "Christian" type Evangelical Zionists and their Jewish counterparts. Coincidence? True Christians --- better read God's Word and wake up! Where will coming world events find you?

God's Word teaches that only a small remnant of super dedicated Christians in the last days will be afforded protection from the hatred of the antichrists of the New World Order. The time to repent and prepare spiritually and physically is now.

Luke 21:36 (Jesus says) *"Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man."* Yes, If you want protection -- you have to *ask* Yahweh God Almighty and pray every day as a Christian separated from the ways of the world and remain feeding upon (reading) the Word of God daily!

To further reflect on the very troubling interpretation of supposed "universal morals" enforced by the Noahide laws, we need only to observe its twisted view of animal cruelty. #6 - *"Prohibition on removing and eating a limb from a live animal."* What kind of mind other than a dangerous one would even dream up a prohibition as this? Do you know anybody who eats live limbs of animals? Some Noahide promoters have now tried to put a spin on this law to excuse it away, but the law was established *as is* when these world laws were formulated. Under the Noahide laws we see no ending of the Rabbinical cruelty of daily "koshering" live animals by slowly slitting their necks as the Tradition of

the Elders is preserved under this code. So much for humaneness to animals. What's more, it is an alarming thing indeed to see American military power and national foreign policy actually advancing the timetable for those who want to dominate the world from Jerusalem by the Noahide doctrine of universal law. Could any people be more blind or deceived than modern day Americans??

How far along is the foundation of the international Noahide Court in actual practice? Much further than anyone suspects due to an apparent intentional media and educational system blackout, and the "low key" but steady development of this program. The New World Order Noahide courts are being planned right now to be run from the United Nations State of Israeli:

*"One of the primary organization's goals and future purpose is to support a democratically run General Noachide Council that represents the interests and needs of "All" Noachide Communities throughout the world, and ultimately to support a Supreme United Noachide Council composed of only qualified Noachide judges which will have graduated from a yeshiva for B'nei Noach in Israel."* Source -- United Noahchide Council, Inc. Atlanta, Georgia. 9/03/06 [http://bnainoachnews.com/tiki-read\\_article.php?articleId=241](http://bnainoachnews.com/tiki-read_article.php?articleId=241)

Not only is the above observation an eye opening statement, this administrative agency is not merely a Jewish religious program, but it heavily done in resonance with international Jewish money powers as well. Materially at least, money speaks, and money pulls the strings of the nations' policies. The Talmudic Israeli State in the middle east and its legal existence is in no uncertain terms supported and financed by the European Rothschild New World Order usury banking empire. The tie between the Rothschilds and the Israeli legal system has not been noticed, but I found this tidbit Online from a New York Times obituary of Dorothy de Rothschild that spills the beans on who has major interests in what goes on inside the Israeli state:

*"When Mr. de Rothschild died in 1957, he bequeathed to Israel the money for a new building for the national Parliament, which Mrs. de Rothschild dedicated in 1966. Toward the end of her life she gave Israel a new Supreme Court building."*

<http://www.nytimes.com/1988/12/13/obituaries/dorothy-de-rothschild-93-supporter-of-israel.html> Published: December 13, 1988

And, the Noahide-Israeli-NewWorldOrder-Rothschild connection tells us that the "governance" of this reborn Herodian dynasty is to be by global banking:

*"Baron David de Rothschild sees a New World Order in global banking governance"*  
<http://www.zimbio.com/David+de+Rothschild/articles/4/Baron+David+de+Rothschild+sees+New+WORLD+Order>

Here is a picture of the Israeli Supreme Court complex built with Rothschild money. Note the Illuminati New World Order Pyramid structure inside the circle constructed into the left side of that building.

What is the claimed basis of the origin of the Noahide Laws? None other than a loose subjective Babylonian interpretation of law where man's "rationality" supercedes God's direct laws for the family and nation as given to Moses. In other words "we'll bend the rules to fit our agenda, and then claim they are godly".

*"This Noachide, or universal, code to which all mankind is subject, must, in the nature of things, be more rational than the Mosaic code, more accessible to intellectual perception. Rationality is, in fact, its principal characteristic, even its principal component. ...."*

*"With respect to its nobility and holiness, the Law of Noah need not fear comparison with the Law of Moses itself; for it was not only the Law of Adam, of Noah, and of all the patriarchs before Abraham, but also of Abraham, of Isaac and Jacob, of all their children and descendants, and of Moses himself before the revelation at Sinai." ("Israel and Humanity", Moshe Idel, Maxwell Luria, 1995, page 260)*

The Encyclopedia Britannica says this about the mythical Noahide laws:

*"Noahide Laws, also called NOACHIAN LAWS, a Jewish Talmudic designation for seven biblical laws given to Adam and to Noah before the revelation to Moses on Mt. Sinai and consequently binding on all mankind. Beginning with Genesis 2:16, the Babylonian Talmud listed the first six commandments as prohibitions against idolatry, blasphemy, murder, adultery, and robbery and the positive command to establish courts of justice (with all that this implies)." [ Translation: "We'll go to the Babylonian Talmud to declare what God really meant in the Scriptures".]*

As bad as they are -- Communism, Socialism, and the United Nations, never were the real or final problem. They are only *stepping stones* to the reinstatement of Babylonian Law over the world, by way of Talmudic Noahide courts to be centered in *old Jerusalem*. This is yet another reason why the New World Order must militarily defend the Israeli Zionist State at all costs from the violence of radical Islam, for it is from Jerusalem that the Babylonian Talmudic Noahide Laws are to be mandated throughout the world. Guess

who gets the "privilege" of doing the dirty work of fighting the crazed Islamic extremists to protect the Noahide agenda in the middle east, so that the world may be the recipient of international Noahide "benefits"? Answer: Ah yes, the good ole US military with its American sons.

Contrary to what the Christian Zionists think, Jerusalem is not "The Holy Land". Jerusalem is symbolically called latter day "*Sodom and Egypt, where our Master was crucified*" (Rev.11:8) and it's collective Babylonian Talmudic teachings of a religion/government combination gone forth into all the world is called "*Mystery Babylon The Great*" (Rev.17:5) Yes, God's Word tells us that his new "Sodom and Egypt" is none other than old Jerusalem the city of international Noahide jurisdiction, the *real* center of the New World Order which Jesus Christ cursed as a desolation. It is anti-Bible, anti-American in law, and anti-Christ.

If we add the latitude and longitude directional degrees together for the city of the old Jerusalem we see that the antiChrist number of 666 (Rev.13:18) runs right through its center. 31 degrees, 47 minutes North; by 35 degrees, 13 minutes East = the 666.0 (3147 plus 3513) map reading as the Earth grid location for the U.N. created Israeli Jerusalem. [ If you want to check out God's inexplicable accuracy of this you may do so going Online to "Mapquest" (or similar), and entering the coordinates: Latitude 31 degrees -- 47 minutes -- 00 seconds; and Longitude 35 degrees -- 13 minutes -- 00 seconds; to see how dead center within Jerusalem the anti-Christ map location 666.0 happens to be. It runs through the center streets of that city. God has warned us.]

Considering what we now know about "Education Day" and the Noahide Laws, here is a renewed dedication to this Talmudic program which Barack Obama has declared from Washington D.C. to be our "moral compass":

EDUCATION AND SHARING DAY, U.S.A., 2009  
BY THE PRESIDENT OF THE UNITED STATES OF AMERICA  
A PROCLAMATION (April 3, 2009)

*"The education we provide our children must prepare them to succeed in a global economy and to contribute to their communities. Commemorating Education and Sharing Day, U.S.A., we underscore our commitment to a competitive and complete education.*

*The professional demands of today's workplace require a renewed commitment to education. Our youngest children need a strong early foundation. Standards must be raised, curricula must be enhanced, and teachers must be supported. Families, communities, and educators must collaborate to ensure that students are working hard and receiving the best instruction possible.*

*Yet knowledge alone will not bring the future our children deserve. Our schools and community institutions must also help each child develop a moral compass. Education must blend basic American values such as honesty, personal responsibility, and service. These indispensable elements will not only help children succeed in challenging work*

*environments, they will also help our youth engage in and contribute to their communities.*

*Few have better understood or more successfully promoted these ideas than Rabbi Menachem Mendel Schneerson, the Lubavitcher Rebbe, who emphasized the importance of education and good character. Through the establishment of educational and social service institutions across the country and the world, Rabbi Schneerson sought to empower young people and inspire individuals of all ages. On this day, we raise his call anew.*

*NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim April 5, 2009, as "Education and Sharing Day, U.S.A., 2009." I call upon all the people of the United States to look to the future with a renewed sense of civic engagement and common purpose. ( Note: The "common purpose" is a world governed by the Edomite jewish Lubavitcher Noahide Laws )*

*IN WITNESS WHEREOF, I have hereunto set my hand this third day of April, in the year of our Lord two thousand nine, and of the Independence of the United States of America the two hundred and thirty-third."*

*BARACK OBAMA*

God Almighty beckons us to not get caught up in the world system of governments or false religions as His plan is to destroy that system as He did the world communal Tower of Babel in Genesis chapter 11. Victory is already given to Christ and to His Kingdom. The choice we have been given as Christians is whether we honor that victory and come under the protection of Christ's Remnant in the latter days, or whether we foolishly listen to a misguided politicians and Zionist preachers in the pulpit who are leading their flocks into the decapitation punishment of the Noahide international courts of the new Herodian dynasty – the Babylonian Talmud's New World Order.

*"And I heard another voice from heaven, saying, Come out of her my people, that ye be not partakers of her (Babylon's) sins, and that ye receive not of her plagues."*  
(Revelation 18:3)

*"Nay, in all these things we are more than conquerors through Him that loved us".*  
(Romans 8:37)
