## History of America – God's Promises Coming To Pass

God keeps His promises and this can be seen in America.

- 1. God promised that** He would bring forth a great nation in the last days. *Genesis 12:2; 18:18, Isaiah 18:7; Deuteronomy 4:7,8*
- 2. God promised that** His great nation would be a land of liberty for His people Israel. (not to be confused with today's "Jewish" people) *Isaiah 60:19-22;61:1,11;II Corinthians 3:7; Leviticus 25:10.*
- 3. God promised that** Israel (His sheep) would become Christians when Jesus first arrived. *Jeremiah 50:6,17; Matthew 15:24; John 10:27; Hebrews 8:8*
- 4. God promised that** His "Kingdom of Heaven" would actually be a Christian government (nation) upon the Earth. *Matthew 21:43; John 11:51,52; Matthew 25:31-34; Daniel 7:17-27; Isaiah 9:6,7*
- 5. God promised that** His Kingdom nation would have certain signs recognized by only His chosen, but that the spiritually blinded world could not see. (*Mark 4:11*) These signs of His nation include *Revelation 12:14* (eagle as national symbol). *Genesis 12:2* (a mighty nation). *II Samuel 7:10* (new place outside of Palestine). *Jeremiah 31:7* (chief of all nations). *Genesis 49:25,26; Deuteronomy 33:13,14* (great mineral wealth). *Genesis 27:28; Deuteronomy 8:7-9* (great agricultural abundance). *Hosea 1:10,11; John 1:12* (become sons of God, Christians). *Numbers 35:7* (mainland divided into 48 administrative districts). *Micah 7:16; Jeremiah 33:9* (feared by all nations). Arrive in 1776 (twice the numerical value of Jesus' name in Greek ,which is 888 ). Many more too numerous to list ---
- 6. God promised that** if His people obeyed His laws, He would bless their land exceedingly, and they would dwell in safety and happiness. *Leviticus 25:18,19; 26:3-12; Isaiah 30:23; Deuteronomy 11:13-15.* (early Americans held to many of God's laws for family and nation, whereupon God greatly blessed America)
- 7. God promised that** Jesus Christ would come to rescue His Kingdom nation out of perilous times, and to fully establish the Divine Kingdom earlier attempted by His faithful remnant of Christian Israel. *Joel 3:16,17; Revelation 2:25-29; Matthew 25:31-34.*
