## Today's "Jews" are not the Bible Israelites

The people of the world today known as 'Jews' are not the people of the Holy Scriptures that we read about named Israel, also known as the Israelites in that book (our Bible).

There have been some curious mistranslations from the early Hebrew and Greek texts of our Bibles on the part of the establishment church translators that have created confusion about the word "jew" in the Bible. But even without beginning a study as to where this whole can of worms has gone bad we can see right from the very English Bibles handed to us by the clergy that God's Word still proves that the "Jews" can not be and are not the Israelites.

The Westminster Bible Dictionary 1944 edition page 476 reveals that the Pharisees were "One of the 3 chief Jewish parties". All other Bible reference books correctly uphold this observation, namely, the Pharisees were Jews. However Jesus Christ repeatedly condemns these Jewish Pharisees (Matthew 23:2, 5, 13, 14, 15, 16, 23, 25, 27, 29, 33) and said that they were the descendants of the one who murdered Abel (Matthew 23:35). It was Cain who murdered Abel and then went to the land of Nod and married women there to start his descendants' line of people (Genesis 4:16- 23). But Cain's family line did not produce the Israelites. Israel came from the line of Seth born to Adam and Eve after Cain left (Genesis 4:25,26). Seth's family line eventually produced Abraham, Isaac, and Jacob, from which the Israelites came (Genesis 21:12; Genesis chp.4). Therefore, Christ Himself said that "the Jews" are not from Seth/Jacob/Israel – but that they are from Cain's non-Israel line of people.

Even though the Jews claimed to be from Abraham (as they still claim) Jesus further proved this claim to be false. When Jesus said "*Ye shall know the truth and the truth shall make you free*" the Jews responded that they did not need to be made free because "*They were never in bondage to any man*" (John 8:32,33) But the true Israelites were in bondage several times as per in Egypt being slaves, and in Babylon, and Assyria – just as the Bible tells us about Israel. The Jews weren't in bondage, as they admit, because they are not the Israelites.

Furthermore, the true Israel race of people are called "God's sheep" throughout the Bible. (Psalm 78:52; 95:7; Jeremiah 50:17) and Jesus said "*I am not sent but unto the lost sheep of the House of Israel*" (Matthew 15:24) – but He told the Jews at Solomon's porch "*Ye believe not because ye are not of my sheep (Israel)*" (John 10:24,26). So there we have it. Jesus yet again says that "the Jews" are not the sheep Israel of our Bible. Why, then, do the clergy keep teaching their congregations that "the Jews are God's chosen people the Israelites"?

Today's "Jews" primarily are the family lines of Cain (as shown), of Edom "Idumea" in Greek, and of Turk Khazars. None of these groups are of Biblical Israel. Modern Jewish encyclopedias readily acknowledge that the non-Israel Edomites became "Jews". [*"From this time on the Idumeans (Edomites) became an inseparable part of the Jewish people."*- Encyc.Judaica Jerusalem Vol.8 pg 1147.] [*"The Edomites were conquered by John Hyrcanus who forcibly converted them to Judaism"*- Standard Jewish Encyc. 1966 page 594.]
