## The name Jesus, 888, and 1776

The ancient Greek language of the New Testament did not have numerals, as they used their letters for numerals. The chart below shows the numerical value of each letter in the 1st Century Koine Greek NT.

We have heard it said that the USA is a Christian nation. But the real reason goes much deeper than knowing that the original States were Christian. Nearly 2000 years ago Jesus of Nazareth told the corrupt Judean leaders, "The Kingdom of God will be taken from you and given to a nation bringing forth the fruits thereof." (Matthew 21:43) God's Law requires a double witness to establish a truth (Deut.19:15) Joseph told Pharaoh that God doubles dreams when they are destined to come to pass. (Gen.41:32) "8" is the number of resurrection and Jesus is the King of Kings who is to rule a government Kingdom. (Isa.9:6,7; Dan.7:27;Isa.18:7) The number of that Kingdom is double the number of the King's name "888" or 888x2=1776 because the matter is established by God. God's later day Kingdom was planted as a seedling in America in 1776 in North America but is now fighting for its divine life as the world system wants the Kingdom dead. But Jesus has promised us the victory!
