

IF A PERSON BELIEVES ALL OR MOST OF THESE ----

God is The LORD (“Dominus vobiscum” means “The LORD be with you”)

When Christians die they go to heaven

The day of rest is Sunday, time to go to church

Celebrate Christmas and/or Easter

Demons and angels are real spirit beings

A person gets saved and becomes a Christian by water baptism

The Christian Kingdom is heaven, or those who believe in Jesus (His church)

---- then he is a Catholic.

He may not be a *Roman* Catholic, but he is Catholic nonetheless and his religion falls into the creed of Mystery Babylon the Whore of Revelation 17:1&5. This means that almost every local church in every town of America is predominantly Catholic whether it thinks so or not. Even though the economy and Americans' wallets have been taken over by elite international bankers of Edomite influence it is Rome that by far has conquered the hearts and minds of theological Americana. Nearly all conservative, right wing, evangelical, current Protestant, and “born again” type individuals, are Catholic and do not realize it. Even Saxon Israelite Christian assemblies are blind to this truth and many are still unwittingly 75% Catholic in practice. But the living word of God of the Holy Scriptures can save God's people and save America. Our divine call is to repent. “Except ye repent ye shall all likewise perish.” (Luke 13:3). Repent means to change your mind and heart. God beckons us to come out from the Catholic (universal) religious commune of the world. “Come out from among them and be ye separate says The Everliving --- and I will receive you and be a Father unto you” (2 Corinthians 7:17,18). A person can start by picking up the Bible and reading it daily. Or if a person wants to “jump start” their new awareness to come out of the Catholicism of the multitude of churches, one good place to begin is at the link below:
