

The fascist U S government – History Hidden

What do we mean by the term “fascism”?

Definition: “FASCISM – a political philosophy, movement, or regime that exalts nation and often race above the individual – for a centralized autocratic government headed by a dictatorial leader – and forcible suppression of opposition.” *Merriam-Webster Dictionary (underline added)*

The above is almost a good definition of the words “fascist” and “fascism”, but like so many words that are hastily glossed over, our present quasi-accurate concept of a true fascist state simply does not align with what a more intricate investigation into the historical record of the term reveals. Basically the two terms of fascism and communism have become rallying words of both the extreme right and extreme left wings of the political spectrum. To the left wingers a fascist is a person who hates everybody but white people and who wants to deprive all “darks” of basic food and shelter and will legislate stern laws to do so. To the right wingers a communist is a person who demands that a super powerful central government should be our forced caretaker from cradle to grave and that no credence to any God given rights of private liberty should be recognized. The issues do get rather blurred when attempting to clearly define the parameters of these two terms. But today we’re going to examine “fascism” because its definition has been more obscured than has communism. Also the lack of understanding the real history surrounding fascism has a more covert and destructive consequence than does the more obvious reasons of why we don’t want communism. True fascism is highly deceptive and has, for unintentional or intentional reasons, not been brought to the factual forefront.

Getting straight to the matter, fascism is iron-fisted Roman Law that combines the rule of law of both pagan Rome and Catholic Rome. Roman Law rules the world order today under the direction the Nachash/Nodite descendants (Gen.3:14,15; 4:16-24) and their conspiratorial partners in crime -- The Black Nobility. The Jewish International Bankers and Bolsheviks are subservient to and work for these two elite bodies of anti-God agencies. The power of Rome over and above that of Edomite Jewry is exemplified in how Rome in 70 AD thoroughly destroyed Edom controlled Judea under the military campaign of the Roman General Titus. That power superiority has never changed throughout the many long centuries and still holds true today. Rome rules the world system. Jewry is a subsequent player (or even third or fourth). The vast majority of well meaning Christian patriots have been slow to recognize this reality.

The facts are there to behold but the concerned Christian has been eager to bark up the wrong tree. Yes “the Jews” have been promoters of socialist/communist programs especially since around 1900, but this pales in comparison to the long controlling 6000 year history of the Nachash/Nodites and their modern church of Papal Rome. Nod’s empire began in Gen.4:16-24, 2200 years before Esau/Edom (Jewry) even began in Gen.25:25. Sometimes the truth is not what we want to hear.

➡ Hopefully the reader has taken time to peruse the important related information on this website that proves the tempter in the Garden of Eden was a *radical female* named Nachash, that her followers since her death have deified her as the star Sirius, worshiped her down through history as Astarte, Ashtoreth, Ashtaroth, Isis, Ishtar, Sopdet, (a few other names) and is now known as the deity of the Roman Catholic Church whom its priesthood refers to as “the Queen of Heaven”, the false Mary. This primary understanding will make it noticeably easier to grasp who is running the anti Christian world wide conspiracy at the top level , and to better take an effective stand against the globalist world system. *Nothing fits until we understand that Nachash was female.*

Sirius (aka Isis, Astarte, Mary) in the constellation Canis Major precipitates the “dog days” of summer and is the Nachash deified by the race of Nod. Our word star comes from Astarte. Hebrews worshiped Astarte as Ashtaroth

Sirius is actually a co-star pair of a larger star and a dwarf star to which esoteric sacrifices have been made for eons by “the elite”. Their latest mass human sacrifice was “co-vid” (occult term “double seen”) sacrifice to Sirius A &B, namely to Astarte(aka,Ashtaroth)
How the ancients knew of “B” is another matter

Here is the double Sirius sky deity of the Nachash religion. This creed has been demanded of many nations by force of torture and fear. Only 1776 America was able break free for a while

Pope Francis, a Jesuit, announced that taking the “co-vid” clot shot is “an act of love”. - Aug.18, 2021

“Mary as Queen of Heaven is an ancient address to Mary used in prayer that dates back to at least the fourth century. The imagery of Mary as queen of heaven was very popular in the Middle Ages.” --- (quote: Questions & Answers, Catholic.com, 1996)

“The most important deity was the great lady Sirius, and she was called Sopdet. Thousands of years ago in ancient Egypt, she was the queen of the night heaven, the queen of the stars, Queen of the Decans.” --- (Ancient Egyptian Astronomy, 2021, K. Lachtane)

The double “mother and child” matriarch symbol predates Christ by thousands of years and by several heathen races. This Sirius star goddess is cited in Jer.44:17-25 and other verses. It is not Jesus and Mary. Jesus’ ministry was on His own. He did not have Mary as a co-partner of His mission nor as a co-partner of His divinity. The real Mary was a righteous woman but a sinner and mortal as we all are. In Mat.12:48 Jesus said that His real family spiritual mother was His followers who have the love of God our Father.

The migration of this brutally enforced Astarte/Ashtaroth religion from Nod, diverted to Egypt, then to Sidon in Canaan, to Carthage, to Rome (Astarte as Mary). It is important to realize the “timeline” background of how the occultists have implemented militant fascism to control the world. Therefore let’s expand our study about fascism and see precisely where this strange word appeared in our history of English language.

Enter --- the fasces. “Fascism” comes from the word fasces.

Definition: “Fascism – authoritarian government, crushing opposition by means of secret police.; from Latin *fasces*; see Fasces”. Britannica World Dictionary, 1957 ed.

Definition: “Fasces – In ancient Rome, a bundle of rods enclosing an ax, as a symbol of power”. Britannica World Dictionary, 1957 ed.

The very ancient religion of Nachash star worship basically migrated from:

Nod → Egypt → Tyre & Sidon → Carthage → **Rome**

Since Rome this economic/social/religion government has been enforced under the authority of the fasces.

The Roman power fasces weapon and symbol

Ancient Roman fasces

Mussolini with Rome's power fasces

Mussolini and Hitler both had visions of installing their version of the Holy Roman Empire in Europe. The Black Nobility had other ideas than to turn Rome over to these egocentric dictators. Having migrated from Venice into Europe the Black Nobility would run the Holy Roman Empire as they always have. The European Black Nobility descended from the old Roman aristocracy. ("black" refers to their deeds, not skin color). WWII was a power grab by factions within occult Astarte/Ashtaroth worship to see who would be owner of Europe and continue the iron fascist rule long held by the Sirius Star Cult (elite of the BN). No matter who won, the world would not benefit. Fascism is oppression and their fasces symbol still thrives.

[The connection between communism & fascism is not discussed in this thesis]

A Roman lictor with toga and fasces carried over the left shoulder by state order

Ancient Roman coin showing a Counsel with two lictor body guards carrying fasces

During the time of ancient Rome, the *fascēs lictoriae* was a symbolic representation of *imperium*. Imperium was the authorized power to issue an order as a Counsel of the Roman empire and require that a subject obeyed the order.(please reread and grasp this sentence)

The Roman fasces consisted of a bundle of wooden rods bound tightly together with an ax head emerging from the center or side. The rods symbolized the power of unified provinces of Rome, and the ax was a militant token symbolizing the authority of the autocratic state to conduct executions (& sacrifices), carried over the left shoulder.

During the Roman Empire, there were men known as lictors whose job was to act as body guards to all officials who held *imperium*. The lictors carried their fasces and went wherever the officials went. The rods were used, when needed, for riot control. The ax was for implementing a death sentence, or swinging them into a crowd on the spot. The fasces as a symbol of Roman domination didn't stop with the old Roman Empire. It was passed on to the Papal hierarchy as a sign of Rome's enduring world control.

Cardinal Mazarin (1602 – 1661) was the chief European diplomat of Pope Urban VIII. Mazarin's power and influence over European state of affairs was extraordinary. He was the head of Austria's government in the reign of Queen Anne. Cardinal Mazarin was also the educator of young King Louis XIV of France until the King became of age. When militant civil unrest had taken place in France Mazarin had connections in Germany to where he would shift his base of operations. The whole time Mazarin was a constant powerful servant of the fasces government of Rome. Other officers of Rome also carried the Roman fasces symbol as a token of imperium.

Below we see a portrait of Cosimo I de' Medici, Grand Duke of Tuscany coronated at Rome in 1570. Notice the ever present Roman fasces (upper left). Cosimo was descended from Giovanni di Bicci de' Medici, founder of the powerful Medici bank. The Templars and Medicis were the predecessors to European banking centuries before Rothschilds came on the scene. The Medicis were taking orders from the Black Nobility and the Catholic Church during their rise to financial power.

All of this long European history gave rise to the fascists, that is, those who were given the privilege of *imperium* to carry out Rome’s quest of world leadership, at times openly and at times secretly. Much of the secret imperium internationally has been carried out by the Jesuits, a militant order highly dedicated to the “Queen of Heaven” and fanaticism of Mariology.

Popery’s violent fascist history

With the foregoing very brief 5 page explanation of the development of the Roman fasces and what it signifies, let’s continue with the outline of the connection between the US Federal government and historical fascism. That is, who really controls the corrupt corporate U.S. government?

The matriarchy religion of star and planet worship which the Word of God mentions and condemns repeatedly had spread world wide by the time that Egypt came into power. (Isa.47:12,13; Dan.1:20; I Sam.31:9,10) Both white and non-white people cordially embraced it. The Adamic white nation of ancient Israel was the only nation that did not totally develop star worship as their matter of faith. But even with this, God’s Israel nation was habitually falling into the sin of worshipping the “celestial star lights” with Yahweh God sending prophets to rebuke the nation and bring them back into true and holy worship.

In a nutshell, most of the heathen star cults believed that their civil and religious leaders went “to heaven” in the sky upon death and became one of the untold number of stars we see in the night sky. Thus they worshiped the stars. To fully subject the people under this spiritist religion it became necessary to combine the civil and religious hierarchy into one philosophical persuasion – the divine right of kings. The priests ran the religion and the kings were called by that religion to control the people. In other words, the kings felt that they were “god-like” in their occupation and any subject who

did not obey the king was in effect disobeying God. Government abuse under this form of rulership was rampant, with the common people for centuries having no recourse for the misery they had to endure. Then came America on the other side of the Atlantic Ocean that had freed herself from the state religion of the divine right of kings, and the entire world political scene was drastically changed. Rome ruled the states of Europe simply because most of the royalty was Catholic. A few of the British churches claimed a quasi-separation from Rome but were still under the control of Europe's Black Nobility that worked hand in hand with the Catholic Church in the first place. So no nation in Europe was ever entirely free from Roman fascism when all is taken into consideration. The Jews were always put into the position of financiers with the foresight that if "the peasants" revolted they would always blame the Jews and not Rome. This basic form of government solidified Europe for Rome for almost 2000 years (more or less) until the North American colonists realized that they did not need to depend on Europe for their existence. Then political events really started to heat up.

George Washington and the Christian Americans broke the ties with Roman controlled Europe and broke the ax from off of the Roman fasces:

The colonists basically told England and the Black Nobility (paraphrased) "you will no longer beat us with your bundle of sticks nor harm us with your ax. Our own "new bundle" is our united 13 colonies. No King but Jesus!" They threw the fascist symbol back in Europe's face as we see depicted in the tribute statue made to the new "Joshua", General George Washington. Here is what the colonists boldly did with the fasces:

**The basic and primary theme to the sculpture is
"No Divine Right Of Kings In America"**

The disarmed fasces

The new American bundle of 13 wooden rods represents the 13 colonies united against the Black Nobility of Europe. The old Roman ax was *removed* by the sword of America (placed on the colonial rods) with a cloak of protection laying upon the now transformed fasces symbol. In its day the message of this statue (1796) was hated by the fascists of Rome as it meant that representative government was the new banner of America and there would be no bowing to papal law that ruled over Europe's "divine right of kings". Rome's ax was no more. The sculptor, Jean Antoine Houdon, was personally told by Washington that he *did not want presented in a toga* but only in his American Revolutionary War jacket. In ancient Rome the fasces with ax was carried over the *left shoulder* by lictors (Counsels' body guards). The Roman state fasces of rods was an instrument of torture and fear. Washington's "rod bundle" intentionally has 13 colonial rods, takes the fasces off of the left shoulder, and removes the ax. The European monarchies well knew what was happening in America and began plotting to undo it.

Yet even after America twice defeated (1776 & 1812) the monarchial force of Europe not all was totally secure in the new American Christian Republic. Rome had planted her seeds of destruction by stealth years before, and the upstart colonists were simply caught in a young nation's naivety whereas Rome had nearly two thousand years of psychological embattlement and experience on its side. Catholics migrating to America had convinced the rest of the colonies that they too were fleeing papal persecution and the colonies welcomed, with opened arms, these immigrants as being liberty loving kinfolk. This gave birth to the Romish settlements in Maryland especially around Baltimore. This kind-hearted oversight by the rest of the colonies proved to be a fatal mistake and resulted in the operations of the Jesuit priesthood within the then young forming nation. Many common Catholics had indeed fought on the side of the American colonists in the War for Independence, but their secretive clergy and Jesuits never adopted the American liberty "spirit" but rather always remained loyal subjects of the Pope and Rome, a foreign power and alien state. ([info link on how Washington City became Washington DC by Roman deception](#)) The same applies today. The average Catholic in the pew has no idea what is going on and is blind as to the diabolical history of the Roman Church. Actually, Catholics need to pick up their Bible, learn about the real Christ and get out from under papal subjugation. As the case may be however, political chicanery within the America political arena was well in the works by Jesuits by the early 1800's.

The struggle between liberty loving independent Christians and the internal forces of Popery was great during the period of 1800 – 1900 in America. But history has been hushed. Even the most anticommunist organizations today are literally clueless as to the huge political, religious, and philosophical conflict going on inside America at that time. This includes present groups such as libertarians, Birchers, Tea Party Republicans, conservatives, and Christian Identity. Even though these folks mean well, having done a good job of exposing Judaic communism, they are nevertheless operating from a position of a lack of information which by default makes them non effective to oppose the plans of the Nodite Sirius star cult and its primary band of Black Nobility and Papal entourage. The Black Nobility descendants from Nod are quite satisfied to let the Christian patriot rant on "about the Jews" since it operates as a smoke screen for them to continue their nefarious deeds unscathed.

Those who point to the Bible verse Obadiah 18 that tells us that Esau shall be stubble in Jacob's deliverance see all of our problems as being solely a "Jewish one" (since Judaism is basically Esau Edom). But that is just one verse, and Edom was just one tribe among many tribes living in Canaan. In Zechariah we are told that none of the descendant families of Canaan shall be found within God's redeemed nation. " --- in that day there shall be no more the Canaanite in the House of Yahweh ---"(14:21) There is also judgment against Egypt in the latter days (Zech.14:19). Also against Moab, Ammon, Ethiopia, Assyria (Zeph.2:9,12,13); and against Meshech, Tubal, Persia, Libya,

Gomer, Togarmah (Ezek. 38:3,5,6,23; 39:3,4); and against many other “goat nations” (Mat.25:32,33). Thus Scripture itself tells us that it isn’t merely “the Jews/Edom” who conspire against Christianity. It is whole world of antichrists who do. Many and diverse. In fact, the 7th chapter of the Book of Daniel lists a prophetic rundown of the world national powers that will ultimately be destroyed by God’s Kingdom. These great world powers are symbolically represented as Babylon, Medo-Persia, Greece, and Rome. Edomite Jews aren’t even mentioned in this end time Bible chapter as being historically dominant, although we do know that Edom has played an active part as an adversary against Christianity. But Edom has always been in the employment of Mystery Babylon the Harlot of Revelation 17:5 & 9 the matriarch religion of Sirius/Isis/Mary worship that sits upon seven mountains which depicts Rome.

Historically as far as America is concerned, the type of “Jews” who were living here early on in the 1700’s were few and mostly Sephardic. Sephardic Jews were of Spanish origin. They were peddlers of their goods and wanted to make what money they could by commerce with the colonies. They weren’t Christian but they weren’t Bolsheviks either. They could not vote nor hold office in America in those days. It wasn’t until the Catholic Jesuits destroyed the Christian Republic that eastern European Bolshevik Jews were unleashed upon America after 1900 by the Black Nobility to drive the nail in the coffin by implementing Khazarian Judaic Communism with its social immorality. We know what these sort of Jews have done, no doubt, and its not good.

But from 1800 – 1900 Christian American patriots were well aware that it was covert operations by Papal Jesuits who were systematically killing the American Commonwealth Republic. Many books, newspaper commentaries, speeches, and pleading, were presented to both the American government officials and the nation’s citizens by dedicated Christian men and women who saw the Republic slipping away by the Roman clandestine onslaught of subversion. Rome had vowed to install the ax faces over America and bring the people’s knees bent to Rome. (why has this part of our national history been hidden since 1900?)

One such book that every American should obtain a copy of was written by Samuel B. Morse the inventor of the telegraph and Morse code. It is entitled Foreign Conspiracy Against The Liberties Of The United States published in 1835. Morse lived in Italy for several years near Rome in which time he consulted with European statesmen about the struggle to free nations out from under the divine right of kings. He was informed by reputable officials from various nations that the Jesuits had been employed by the Papacy working with Austria’s Prince Metternich to infiltrate the political mechanism of America in order to destroy the Republic. It wasn’t Sam Morse alone who tried to warn the American people about this evil endeavor. Many American patriots and scholars had picked up the banner as well.

From a book, Washington In The Lap Of Rome, 1888, by Justin D. Fulton, a protestant minister we have this quote:

“Romanism, as a religion, is a deception and a fraud. Jesuitism is the power that propels and controls it. These two facts, made plain to the people, will destroy the reverence felt for Romanism as a part of the religious world, and will take away the sentiment that it has a right to live and act in accordance with its genius and spirit. Then they will be prepared to weigh the proofs which show it to be an enemy, attempting to subvert the foundations of Republican liberty, destroy quietly the public school system, and make the United States of America a Romish reservation.” (pg. 21)

Canada’s most famous priest of the late 1800’s was Charles Chiniquy. Like an 1800’s Martin Luther, Charles Chiniquy left the priesthood and the Catholic Church after realizing that it was not “the original church” but instead was a scam run by a hierarchy of men using religion to operate an international government based from the Rome. Chiniquy wrote a book, 50 Years In The Church Of Rome, published in 1886, in which he exposed the whole corrupt agenda of Romanism. He has this to say as related to America on page 283:

“Another fact, to which the American Protestants do not pay attention, is that the Jesuits have been shrewd enough to have a vast majority of Roman Catholic generals to command the army and man the navy of the United States. Long before I was ordained a priest I knew that my Church was the most implacable enemy of this republic. My professors of philosophy, history, and theology had been unanimous in telling me that the principles and laws of the Church of Rome were absolutely antagonistic to the laws and principles which are the foundation stones of the Constitution of the United States.”

With the success of the American Revolution of 1776 nations around the world were taking note on how they too could free themselves from despotic rule by the Black Nobility aristocracy from Venice and Rome that had enslaved Europe for many long centuries. In order to preempt any more American type revolutions in the western world the monarchies of Europe negotiated the Treaty Of Verona in collusion with the Pope to stifle any such populist movement. The threat of this treaty was the basis for the Monroe Doctrine where America stated that any attempt to enforce the treaty upon North America would be considered an act of war.

The treaty reads, in full, as included on the page following:

SECRET TREATY OF VERONA

AMERICAN DIPLOMATIC CODE,

1778-1884, vol. 2; Elliott, p. 179.

The undersigned, specially authorized to make some additions to the treaty of the Holy Alliance, after having exchanged their respective credentials, have agreed as follows:

ARTICLE 1. The high contracting powers, being convinced that the system of representative government is equally as incompatible with the monarchical principles as the maxim of the sovereignty of the people with the divine right, engage mutually, in the most solemn manner, to use all that their efforts to put an end to the system of representative governments, in whatever county it may exist in Europe, and to prevent it being introduced in those countries where it is not yet known.

ARTICLE 2. As it can not be doubted that the liberty of the press is the most powerful means used by the pretended supporters of the rights of nations to the detriment of those of princes, the high contracting parties promise reciprocally to adopt all proper measures to suppress it, not only in their own States but also in the rest of Europe.

ARTICLE 3. Convinced that the principles of religion contribute most powerfully to keep nations in the state of passive obedience which they owe to their princes, the high contracting parties declare it to be their intention to sustain in their respective States those measures which clergy may adopt, with the aim of ameliorating their own interests, intimately connected with the preservation of the authority of the princes and the contracting powers join in offering their thanks to the Pope for what he has already done for them, and solicit his constant cooperation in their views of submitting the nations.

ARTICLE 4. The situation of Spain and Portugal unite unhappily all the circumstances to which this treaty has particular reference. The contracting parties, in confiding to France the care of putting an end to them, engaged to assist her in the matter which may the least compromit (sic) them with their own people and the people of France by means of a subsidy on the part of the two empires of 20,000,000 of francs every year from the date of the signature of this treaty to the end of the war.

ARTICLE 5. In order to establish in the Peninsula in the order of things which existed before the revolution of Cadiz, and to insure the entire execution of the articles of the present treaty, the high contracting parties give to each other the reciprocal assurance that as long as their views are not fulfilled, rejecting all other ideas of utility or other measure to be taken, they will address themselves with the shortest possible delay to all the authorities existing in their States and to all their agents in foreign countries, with the view to establish connections tending toward the accomplishment of the objects proposed by this treaty.

ARTICLE 6. This treaty shall be renewed with such changes as new circumstances may give occasion for, either at a new congress or at the court of one of the contracting parties, as soon as the war with Spain shall be terminated.

ARTICLE 7. The present treaty shall be ratified and the ratifications exchanged at Paris within the space of six months.

Made at Verona the 22nd November, 1822. for Austria: METTERNICH

for France: CHATEAUBRIAND

for Prussia: BERNSTET

for Russia: NESSELRODE

As we can see with Article 3 above, “the preservation of the authority of the princes and the contracting powers” (Black Nobility aristocracy) was in the hands of the Pope. This means Rome’s use of the Jesuits as covert operatives exactly as warned by Sam Morse, Pastor Fulton, ex-priest Chiniquy, and many others who had reliable contacts in Europe and were sounding the alarm in America.

One institution of the world system, the University of Chicago, has evidently been given the job of doing “damage control” about this treaty and carries an article purporting that the Treaty of Verona is a false claim. The University of Chicago was founded by John D. Rockefeller in 1890. Rockefeller was the owner of the Standard Oil Company which held a monopoly of over 90% of that industry. Rockefeller and Carnegie also systematically and purposefully funded medical colleges that only promoted the allopathic theory of medicine. If it were not for Rockefeller we would not today have the allopathic school of medicine dominating hospitals and doctors as is the case. His University of Chicago has always supported the world “powers that be” to the utmost. However, hundreds of diplomats, historians, and government officials of that time knew that the treaty did take place and that it was merely a spin off meeting of the Congress of Vienna that took place a few years earlier. In 1916 Senator Owen from Oklahoma entered the Treaty of Verona into the Congressional Record of the Senate so that it would not be “lost” by those who would seek to discredit it. Senator Owen’s words to Congress were:

“I wish to put in the Record the secret treaty of Verona of November 22, 1822, showing what this ancient conflict is between the rule of the few and the rule of the many. I wish to call the attention of the Senate to this treaty because it is the threat of this treaty which was the basis of the Monroe doctrine. It throws a powerful white light upon the conflict between monarchical government and government by the people. The Holy Alliance under the influence of Metternich, the Premier of Austria, in 1822, issued this remarkable secret document.”

Space does not permit here to elaborate on the details of subversion on the part of Jesuits and Rome which resulted in the American Civil War that caused the death of 640,000 Americans and the virtual destruction of the Constitution. It will suffice to say that the years leading up to the Civil War and the years shortly after gave Rome the

opportunity to install their faces symbol of authority upon and over the government of the United States, and to undo within the U. S. Federal government all that President Washington and the first generation of Americans had achieved for Christian liberty throughout the land. Some states tried to hold on to freedom for the next 50 years but eventually caved in as well. Today America is left with a very small remnant of true Christian citizens who are trying their best to piece together history, law, and Bible prophecy to understand what went wrong.

After the 1822 Treaty of Verona was implemented by the Black Nobility monarchs of Europe and Rome, by the 1850's America was intentionally being plunged into our Civil War. There was no stopping it. Both sides, the North and the South, were "in over their heads" and had lost control of their destiny. The North under Lincoln was abandoning the power safeguards embedded into the Constitution and soon after the war denied the South just representation in Congress. The South had been drawn into an agreement with the Pope whereby the Catholic Church was the only international government that recognized the Confederacy as a legal nation of its own. Both the North and South only saw the bait and did not see the hook. The bait was swallowed. America was being primed to self destruct and the nation placed under full control of fascist Rome and Europe's aristocracy. Within a few years of the war's end and the passage of the 13th, 14th, 15th amendments, the original Constitution of 1787, as America had known it, ceased to exist. The Constitution was killed. ([read > Const. destroyed](#))

Four years before the War Between The States (1861) the Capitol Building (where Congress meets to debate and pass statutes) underwent an extensive building project to add the House Chamber Room in 1857. As a symbol of Rome's conquest of the Federal US government the House Chamber speaker's rostrum would thereafter be centered between two Roman fasces with axes. [Joe Biden, State of Union, US House 2022]

During the Civil War in 1863 yet another fascist symbol of Rome was placed on the dome top of the U S Capitol Building (wherein is the House Chamber room noted above). It was fashioned in Rome and shipped to America. This large statue is called “Freedom” but she represents anything but freedom as she faces east to Rome in her toga. Historically there has been debate as to the artistic meaning behind her design. But for those aware, the Bible tells us “fear of Yahweh is the beginning of knowledge” (Prov.1:7) Therefore scripturally speaking she is none other than Rome’s Queen of Heaven, Ashtaroth/Isis/Sopdet/Mary, the deity of Mystery Babylon the Harlot. Even more specifically she is a representation of Nachash the Edenic enchanter, the debaucher of Adam and Eve. At her base she is surrounded by a circle of Roman fasces with military spearheads. She wears a classic Roman toga. To what power has American government and churches succumbed? May the reader consider the fascist historical record and decide. [mini side commentary: [Click for churches that are daughters of the Harlot](#)]

At this point in time it is a sad reality that we are not getting our Christian Republic back by protesting, voting, petitioning, or complaining. We are not getting it back by armed revolution either ala 1776. That door is closed and it is recklessly rash to attempt it. I know --- some don't like to hear this. But the prophetic statement of our King has come to pass, “The Kingdom of God suffereth violence and the violent take it by force”. (Mat.11:12) Jesus said that His Kingdom would be a nation. (Mat.21:43). That nation, which is described in *many places* of the Bible is the USA. Twice the numerical number of Jesus' name in Greek is 1776. We were given a second chance and have blown it again as did our ancestors of the ancient Saxon Israel nation.

About elections since 1865 (end of the Civil War):

Those who believe that we can support a political party and go to the courts to have “rigged elections” overturned should take a peek at the government court symbols below. Nothing but Ezekiel 38 happening in America to clean it by divine judgment, and the return of King Jesus, will solve our dilemma. Polite advice: be ready. Stay close with the few true Christian friends you may have and stay close with Yahweh God in prayer. In the end, we win! (Dan. 7:27)

Yes, your government is now fascist and holds Roman imperium over the people!

Repeating a note from page 3:

The very ancient religion of Nachash star worship basically migrated from:
Nod → Egypt → Tyre & Sidon → Carthage → **Rome**

What we are dealing with is an ancient Nodite/Canaanite star cult that is now high tech and extremely dangerous.

However it can be overpowered by the elect of Yahweh Elohim through Jesus Christ and the Anointing of The Holy Spirit!

[End note: Thank you for taking the time to review the preceding information about the attack against America on the part of Mystery Babylon’s Sirius Star Cult through its matriarch centered monarch agencies of the Black Nobility, the Catholic Church, and their left wing activists of Talmudic Judaism (Edom). Admittedly this treatise was quite brief. *More important* than what this Nachash/Nodite group has done to our once great Christian Republic in the arena of national law is the affect it has had theologically on the lambs of Christ. Nearly every church in America teaches various Catholic doctrines that are Scripturally unsound. This does not help when we are in need of prayer warriors who will stay true to the faith once delivered unto the saints (Jude 3). If time permits a “part two” may be added to this essay that covers the essential doctrines of darkness that have seeped into the churches and are unwittingly practiced by most folks in our land today. Concerning the Nachash religion of the world system God Almighty beckons us, “Come out from among them and be ye separate says The Everliving --- and I will receive you and be a Father unto you” (2 Corinthians 7:17,18).

Get out of the churches!
