

RE: Covid – a Nachash star sacrifice. (money maker & politics for the wicked, secondly)

## Addendum to the Female Serpent series concerning Covid 19

*The Female Serpent of Eden --- K W Lent 2019 – 2024*

Greetings brothers and sisters,

For those who have listened to all of the audio sermons in this series and have studied the PDF graphics and historical maps, this additional commentary about the driving motive behind the “Covid 19” plandemic may be of interest. This can surely be filed under the “truth is stranger than fiction” category. (Those who haven’t yet caught up with the sermon series may not be able to zero in on this extra addendum. Page 13 has the whole study link.)

[Since the connection between the occult aspects of Covid 19 and canine sacrifice is of extreme importance it is suggested that the reader takes the time to re-listen to audio sermon #6 before continuing with this article. -- Thanks much.]

Regardless of the many aspects of the political and banking efforts of our adversaries to bring in their New World Order, when all is said and done what we really have is an ongoing ancient contest between the *Saxon Israel faith* of obedience to Yahweh God and that of a superstitious *religion of star worship* by the family of Nachash who was the radical feminist tempter of Eve and devastator of male Adamic rule over Eden. We could paint it with a broad brush that would be quite accurate: the elect of Israelites versus certain Canaanite elitists. It has never stopped. Today they know it. We don’t.

The Nachash “seed of enmity” (Gen 3:15) is synonymous with the families of Nod of Genesis chapter 4 (as explained in detail in the sermon studies). This worldly empire existed 2280 years before the arrival of Esau (Gen.25:25) who is called Edom (25:30), and whose descendants became “Jews”. Since Nachash was more subtle than “any beast of the field” (non Adamic races) we know that she and her Nodite family controlled and manipulated the world’s races long before “Jews” ever came on the scene. It was Nachash who started the phenomenon of *spirit religion* that teaches we are all “spirit beings” who don’t really ever die. Indeed she told Eve “Thou shalt not surely die but ye shall be as gods”(Gen.3:4,5). As paraphrased today by religion: “you’re going to the paradise in the sky to be spirit beings in heaven when your time is up here”. This one decree by Nachash opened the entire can of worms of priestcraft that demands subjection of the masses of people with the claim that if the people do what the priests say, the priests will make sure that their supposed immortal souls/spirits don’t suffer some endless agony in the great beyond but will be as Nachash stated -- celestial gods.

This doctrine is the fundamental scam of all world religions whether it be Tao, Egyptian, Zen, Voodoo, Zoroastrian, Judaism, Catholic, Protestant, New Age mysticism, or any “born-again-isms”. Its all the same lie of Nachash – “nobody really ever dies, we just move on to the celestial.”

But the word of God records that we DO die because of sin (“Thou shalt surely die” – Gen.2:7), and only resurrection from death in the grave can bring us back. “Why should it be though a thing incredible with you, that God should raise the dead?” (Acts 26:8) This we are promised by our Savior and King, Yahshua/Jesus. (John 5:28,29).

However, for the Nodites to enforce their religious scam for their profit, they do have to incorporate things within a political and economic arena since the people of the world live in towns, cities, and nations, while having to do everyday things like eat food, build houses, fight (contrived) wars, and have babies. These are quite physical things and the Nodites realize this. But their driving force is still their *spiritist religion* where they have actually deified the long dead female Nachash as the star Sirius, known to occultists as “The Queen Of Heaven”. Mystical communion for supposed “powers” are obtained (so they believe) by getting in touch with this “Queen” and other past leaders of their religion who have gone to the sky as gods, either to become a star, or to live on a star. (so they believe). How do these occult spiritists believe they can contact the “star spirits”? Answer: **Sacrifices**. The more morbid and multitudinous the sacrifices, the more that their “spirit star gods” above will take notice. (so they believe)

It is to these “gods” that they sacrifice humans and animals to receive power in return. (so they believe). The question may be asked: Didn’t ancient Israel sacrifice animals? Yes Israelites did. But they killed the sacrificial animal quickly and only to be reminded that the true Lamb of God would arrive to shed His blood and atone for our sins. Being that the animals (and us too) all die, we know that we do actually kill them humanely as possible for food as well. Its a fact of life. But the Nachash cult among us doesn’t just kill their victims. They torture them, keeping them painfully alive for days even weeks, in order to appease their Queen of Heaven. Their sacrifices are extremely morbid whether they are altar sacrifices, contrived wars, medical “treatments”, exacting punishment upon heretics, burning apostates alive, or starving out populations. The sacrifices to Sirius are usually deliberate and long. This, as history clearly records, has been going for the last 6000 years. Whether the Nachash/Nodite religion’s adherents know they are evil or whether they are simply criminally insane is a matter of debate. Bottom line is – they do what they do. And it is these people, not the Jewish bankers, who own and control the world’s wealth, although the international bankers are a viable force used by the Nachash star cult when needed.

With this mini-recap in mind, what precisely do we have with the Covid 19 debacle? Ultimately its a sacrifice to the Queen of Heaven the star Sirius with the governmental/political fallout and the trillions of \$\$ made by the pharmaceutical industry being a domino secondary effect. Again, this is still the Israelite faith versus the Sidonian/Tyrian Canaanite occult religion with its roots from Nod. But it has all gone high tech as computerized inventions have increased. The primary sacrifices that the Nodites make within their Sirius Star Cult is that of humans (preferably Adamic) and canines (our trusty furry friends).

In sermon #6 some of the more prolific star sacrifices in modern times were pointed out. (Many more happened but not discussed). Some that were brought to the historic forefront in that sermon include: Carthaginian infant and canine sacrifices of horrendous amounts; Rome's canine crucifixion sacrifices during the heat of summer's dog days at the rising of the star Sirius; the French Revolution's murder of thousands of Saxons along with their dogs in honor of the female Goddess of Reason; the 1976 son of Sam serial murders of people in NY City along with its occult "trademark" of dog ritual sacrifice; the intentional abandonment of 5000 US Army dogs in Vietnam to be sacrificed by cruelty of occult SE Asians after the war killed 58,000 US troops. (yes the whole war was a star sacrifice, having started with the Gulf of Tonkin incident during the Sirius summer dog days Aug. 2<sup>nd</sup> – 4<sup>th</sup>, 1964); and the "tip off" clue of 911's sacrificial slaughter of people revealed by the finishing touch of sacrificing the Golden Retriever rescue dog in tower number two. The innocent rescue dog's name just happened to be Sirius, the only dog to die then, being abandoned locked in the bottom floor of the tower *before* it was demolished.

In any historic mega sacrifice to their star Nachash goddess Astarte/Sirius the Nodite priests will always telegraph what they have done by letting us see their trademark sign of canine sacrifice that follows their sacrificial human deaths. (if we are astute enough to look) In other words they tell us in plain view that what has just happened was a star sacrifice by which they are trying to get "spirit powers". Since these so called powers don't exist and the deluded priests never get the results they hoped for, the star sacrifices increase in terror and number as history progresses. These religious fanatical anti Yahweh anti Christian zealots will eventually sacrifice the entire population of Earth in order to "talk with Nachash" for guidance on how to rule the world. Little do they realize or know that she has been dead long ago, never went to the sky, never was a goddess, never was a spirit, and lied when she told Eve "thou shalt not surely die." This brings us to their latest star sacrifice -- Covid 19.

Not only do the priests of Nachash sacrifice dogs since dogs are truly man's (Adam's family) best friend of all creation, they make a point of telling us that they do so since they are also experts in the art of psychology. Nachash herself was a master in the art of

psychological manipulation in that the Bible describes her as an enchanter. No star sacrifice of people and canines is complete in the minds of the Nachash/Nodites until they have convinced their victims that the victims need to accept the fate of their capture and end. This is similar to what we know is the Stockholm Syndrome where a person who has been kidnapped becomes so hopeless that he begins to empathize with his captor as some sort of bizarre partner in crime. It is this exact type of psycho drama that conveniently and curiously appeared on the Internet convincing people that the Covid shot made them *magnetic*, and that spoons, forks, knives, nails, paper clips, etc were sticking to them all over their bodies. Nobody was magnetized although hundreds of home videos appeared showing supposed magnetic happenings of dinnerware sticking to people. People simply *wanted* to be magnetized in order to jump on that bandwagon and would do anything to make it look like metal items stuck to them. Who had deliberately suggested to the people that they were now magnetic? I issued a challenge at that time that if anyone would pay me a visit and could magnetically stick a fork anywhere on him that I would retract my statements. All I asked was that the person wipes his skin area off with a paper towel and dust it with some talcum powder *then* try to make the fork stick. Won't happen, because you can't magnetize skin. You can stick a dime or nickle on your forehead easily because of skin oils and moisture. Dry your forehead off, powder it, and its no-stick. When we were kids we thought it great fun to make a spoon stick to our nose. It worked, but nobody's nose was magnetic. As far as Covid goes, people were told they were "magnetized" because in occult terms it means that they were *hypnotized* into accepting the mass sacrifice of lives taking place. Anton Mesmer (1734 - 1815) was the father of modern psychological hypnosis whereupon he coined the term "animal magnetism". The people who hastened to the Internet to proclaim their "magnetic bodies" were unwittingly crying out that they had been *hypnotized* to accept their sacrificial fate that they were captured. [\[full explanation here\]](#) This is the enchantment of Nachash and, sadly, the unawareness of our people.

But not only did the Star Cult tell the people that they were hypnotically captured by Covid 19, they were also ready to leave their "calling card" of canine sacrifice after most of the initial phase of Covid 19 had taken place. That calling card was to implement a statement of canine sacrifice with a "mysterious dog disease" but with occult innuendos to make sure that they had "punctuated" the first phase of Covid with a revealing decree, namely "we gotcha again". They love to rub it in our faces and don't care if a scant few catch on. They know from experience that the masses will never catch on. Did the Covid reign of terror reveal itself with occult canine sacrifice as per what the Nodite historical pattern and track record confirms? Most surely, yes.

After a few years of wearing down the people with the initial blast of Covid 19 and the ultimate delivery of The Shot into most people's bodies, it became time for the Star Cult to follow up with their usual canine sacrifice of Adamic man's best friends.

A mysterious disease had engulfed the people, now a mysterious disease would be unleashed upon canines, and for several reasons: 1 – they love to torture people and dogs; 2- they love to tell us that “they did it” and dare us to stop them. 3) – they replicate their abduction and torture of child victims by use of *doll imagery* where the bloody dolls represent children they have sacrificed. They are attracted to the torture of children and dogs due to the obvious innocence of both. In this they speak by occult methodology, numbers, words, circumstances, and designated locales that reveal their deeds. Let’s keep in mind that the star Sirius is the brightest star in the night sky and is seen in the constellation Canis Major, the dog constellation.

Since the Star Cult speaks to us in occult terminology of where, when, and how, --- did they tell us that Covid 19 was/is a sacrifice of their creed? It would be necessary for them to carefully pick the time and place that would fit their dialog of revealing their intentions, but yet in a mystical way that exhibits their brand of cryptology. That certain place, containing enough mystic symbolism, was found in the State of Michigan, USA.

Michigan Radio.com August 23, 2022 (news excerpt)

*“State officials said Monday that they're working with veterinarians to determine what's killing dogs in some areas of the northern part of Michigan's lower peninsula.*

*This appears to be canine parvovirus, they said. In a Facebook post, the Otsego County Animal Shelter noted some of the dogs that have died did not test positive for parvovirus. Most of them have been young dogs. The best guess is that it's a unique strain of parvo.” (underline added -- just as we are told that Covid is a unique strain of flu)*

Note that the date is August 23, 2022, and taking a few weeks to compile the information means that dogs in Michigan were mysteriously dying during the weeks of the “Dog Days” of late July til mid August. This is the time that the star Sirius rises close to the Sun at sunrise. It is the ancient Roman times of dog sacrifice to Sirius.

It is from the Roman period however, that we have visual evidence for a specific figure called ‘Isis-Sothis’, which depicts the goddess riding a dog. (Sothis is the Greek name for Sirius.) Several coins survive which show this image. In our Female Serpent sermons it was explained that the wealthy Roman aristocracy were actually Nodites who made their way into Rome via Carthage. These were direct descendants of Nachash, the female enchanter. (she was merely a person, not some literal serpent)

Spectrum News, NY August 23, 2022

“A mysterious illness is believed to have killed dozens of dogs in Michigan in recent weeks ... more than 30 dogs in Clare county and 20 dogs from Ostego county have died from the illness.” *(The toll was a lot more as not every pet owner took their dogs to a vet --KL)*

New York Times, August 22, 2022

“An unidentified illness has been sickening and killing dogs in Michigan --- there was no treatment for the dogs ailments yet.” *(Months later the dogs were treated for a new parvo strain but no explanation was ever given as to where this fast appearing disease came from -- KL)*

Many other news reports were given across Michigan listing the dog deaths. The first reports came from the Ostego County Animal shelter in *Gaylord*, Michigan. (see web search for location). This is in the northern part of the lower peninsula of the state. Although Michigan state officials now inform pet owners that this is parvo, it is a unique strain, if indeed only parvo. Plus, the canine biological illness has now spread to other states and is showing up as a respiratory problem as we see with humans and Covid.

But why the northern part of Michigan’s lower peninsula if this is a Star Cult followup to the wide spread human Covid plandemic that hit America? Let’s review some occult evidence that seems pretty hard to ignore. Why was Gaylord, Michigan the first place to announce the dog deaths? First off, Michigan itself is the state home of the worst draconian governor during the initial Covid 19 lock downs and mask orders -- Gretchen Whitmer (the locals refer to her as Witch-mer). The governor is a viable spin off of Jezebel in the Bible who ruled Israel in the days of Elijah the prophet (I Ki.19:1,2). It was the town dogs that finished off Jezebel and the Nachash cult has never forgotten that. Governor Whitmer fits the Nachash political system of matriarchy. This makes for fertile ground for the Star Cult to consider Michigan as the prime state in which to tidy up the Covid sacrifice with that of canine sacrifice. This is not to accuse the governor or anybody in Michigan of any participation, only to point out that she is a pertinent symbol. But *some people somewhere* were orchestrating this.

Gaylord was the name of a popular child’s toy in the 1960s – 70s being a Basset Hound dog doll pulled around by string, later becoming battery operated. Gaylord Michigan was the first place that dead dogs started showing up. The event sequence shows that not long after the Covid shot was injected into most of the adult population it was targeted for the children even though children were admittedly not at high risk of catching whatever we were told Covid was.

*1960's Gaylord the Basset Hound child's toy (pull along action)*

The child/dog connection always followed the occult sacrifices throughout history. Just one of many historical examples is below:

“In the area of Kolonos Agoraios in Athens, in a well deposit dated to the 2<sup>nd</sup> century BC, the bones of 450 infants and 150 dogs were found. The association of the dogs and babies in the well has been interpreted as evidence of rites of purification associated with childbirth. In Ancient Greece one of the rites of passage involving dog sacrifice, was in honour the earth goddess who watched over birth. This ritual is documented in Italy by the bones of dogs found together with ceramic shards dating to the late 4<sup>th</sup> century BC found in the well of a temple at Pyrgi, which was identified with goddesses associated with the concept of birth and development.” (*Ancient Origins*, Sept.22, 2013, April Holloway)

So what is the connection between Gaylord the child toy Basset Hound doll and that of Gaylord, Michigan where dogs started dying? Easy --- in “occult speak” of the Nachash Nodites, that is.

If you travel as the crow flies directly from the lower edge of the southern corner of Gaylord’s city limits to that of the northern edge of Comins Michigan town limits you air travel just over 33 miles where you find Comins on state road 33, depicted as M-33 on road signs. This means Michigan Highway 33 to car travelers. But in “occult speak” it means Masonic 33 since the Masonic Order has 33 degrees of membership. Initial Mason members of the 1<sup>st</sup> or 2<sup>nd</sup> degree almost certainly have no idea what transpires at the 33<sup>rd</sup> degree level. Only those who are perceived as “worthy” within Masonry are invited upward into the highest levels. Adam Weishaupt’s Illuminati had infiltrated Masonry as far back as the 1790’s. President George Washington had even written about his concerns that the American Masonic lodges, that had been unconnected with the European lodges, were being infiltrated by foreign Illuminati agents ([read here](#)). American Masons during the Revolutionary War were not Illuminati. That changed after Washington’s demise. (Even so, high Masonry itself is not the top of the NWO conspiracy)

Comins Michigan on state road M-33 happens to be in Clinton Township. Many speculate that Hillary Clinton ran the White House during Bill’s tenure as President. Hillary, like governor Whitmer, is another Jezebel feminist. On August 19, 1946, Bill Clinton was born in Hope, Arkansas, at the 33<sup>rd</sup> parallel. All of this is nicely setting up the northern area of the lower peninsula of Michigan as an ideal choice place for the Star Cult to make their Covid “dog sacrifice statement” to Sirius. By the way, the American Civil War was started at the 33<sup>rd</sup> degree parallel at Ft. Sumpter National Monument, SC, a very Nachash Sirius thing to have inflicted upon us. The atomic bomb was dropped on Japan at Hiroshima Aug. 6 and Nagasaki Aug 9, 1945 during Sirius “dog days” of summer. The 33<sup>rd</sup> degree parallel runs right between these two cities. Harry Truman was at that time the 33<sup>rd</sup> president of the United States.

Highway sign for Michigan’s State Route 33

Speaking of M-33 and Sirius, we can note this statement by Albert Pike Master Mason (1809 -1891) affirming that the 33 degrees of Masonry always had a Sirius connection. “The Ancient Astronomers saw all the great Symbols of Masonry in the Stars. Sirius still glitters in our Lodges as the Blazing Star” --- (Albert Pike, *Morals and Dogma* p.486)

But its not just the M-33, Gaylord dog, & the Clinton name attributes of this area that would make it an ideal place for a Nachash canine sacrifice. There is also a bizarre connection with dying dogs to that of child occult death symbolism just as found in archaeological excavations in Europe and Middle East. On highway M-33 in Comins we find a freakish display of “creepy children’s dolls” that seems to be right out of a horror movie. (It was certainly there during Covid, but may have been removed) Keep in mind as you view the below pictures that this is in the northern part of the lower peninsula of Michigan where the dogs were mysteriously dying as well. It’s on a roadside of M-33 at Comins.

To this day nobody knows who put these mutilated child dolls there and nobody has taken credit for it. But the scene became known locally as “Creepy Doll Hill” or the “M-33 Hill Babies”. The symbolism is clear: voodoo type scary mangled children. Had the Michigan area between and around Gaylord and Comins become a very acceptable place in the US for the Nachash Sirius Star Cult to commence their punctuating statement that Covid was and is a human and canine sacrifice to their sky goddess? Just as occurred in Canaan, Carthage, Greece, Rome, Europe, centuries ago? This author believes, in the most definite affirmative, that this is the case. The reader is welcomed to draw his own conclusion. Who rules the world system? It is not who we have been told. How many people world wide will become the casualties of the next increased mass sacrifice after the Nachash priests realize that their Covid deaths were not able to contact the spirit of Nachash in her home of the star Constellation Canis Major? Of course she is just a long gone dead woman but her spiritist followers cannot and will not ever accept that. They and all their spiritist “Christian” churches of Mystery Babylon the Harlot work daily to get their congregation members to go “to heaven in the sky” where they can supposedly meet all others who believe that “they won’t die but will become as gods”. These same churches ignore Yahweh’s laws for nation and family teaching that Jesus did away with God’s laws at the Cross.

One additional point to make --- our own people have not been without blame for the world events as we see them. Our Saxon Adamic kinfolk have eagerly supported the Nachash lie of spiritism along with funding the thousands of local churches that do the same. Whether they know it or not, American church goers by the millions have been dedicated willing accomplices to embolden the sacrificial and political agendas of the Nachash Sirius Star Cult and its major agents of the Black Nobility and the Committee of 300. In this our own people blindly take part in the sacrifices of the Nodite elite.

### The Sirius creed in our churches:

The double “mother and child” matriarch symbol predates Christ by thousands of years and by several heathen races. This Sirius star goddess is cited in Jer.44:17-25 and other verses. “She” has taken many religions’ forms across all continents and ages. We have seen her sign in our own churches as the “divine mother and child”. It is not Jesus and Mary as congregations are led to believe. *Jesus’ ministry was on His own.* He did not have Mary as a co-partner of His mission nor as a co-partner of His divinity. The real Mary was a righteous woman but mortal and a sinner as we all are. In Mat.12:48 Jesus said that His real family spiritual mother was His followers who have the love of God our Father. The Sirius Star Cult has been so far reaching that it is revealed in all places on Earth.

This “double deity” is shown below (next page). Her priests are in all nations.

Hindu mother/child deity

Egyptian Isis & Horus

Ancient Asian goddess

Roman same goddess  
Queen of Heaven

In the night sky this goddess is portrayed by Sirius A&B. A = Nachash B= Nachash's descendants & system

The stars Sirius A & B are a duality in the constellation Canis Major. They are the foundational worship of all those opposed to the patriarch rule of Christ over the Earth as King and Rescuer. Sirius A & B are the celestial symbols of the matriarch Nachash and her seed of enmity of Genesis3:15. Her devotees sacrifice to her. In occult language these stars are “Co – Vid”, that is, “Double Seen”. Pope Francis, a Jesuit, announced that taking the “co-vid” shot is “an act of love”. - Aug.18, 2021 (who does he love?)

“The most important deity was the great lady Sirius, and she was called Sopdet. Thousands of years ago in ancient Egypt, she was the queen of the night heaven, the queen of the stars, Queen of the Decans.” --- (Ancient Egyptian Astronomy, 2021, K. Lachtane)

Some Scriptures to ponder relating to the infirmities we have endured by Co-Vid worship

“Take ye therefore good heed unto yourselves ---- lest thou lift up thine eyes unto heaven, and when thou seest the sun, and the moon, and the stars, even all the host of heaven, shouldest be driven to worship them, and serve them --” Deut.4:15, 19

“--we will certainly do whatsoever thing goeth forth out of our own mouth, to burn incense unto the queen of heaven, and to pour out drink offerings unto her, as we have done, we, and our fathers, our kings, and our princes, in the cities of Judah --” Jer. 44:17

“They sacrificed unto devils, not to God; to gods whom they knew not, to new gods that came newly up, whom your fathers feared not.” Deut.32:17

“But draw near hither, ye sons of the sorceress, the seed of the adulterer and the whore. (*Cain and Nachash*) Against whom do ye sport yourselves? against whom make ye a wide mouth, and draw out the tongue? are ye not children of transgression, a seed of falsehood --” Isa. 57:3,4

”And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues ---- for thy (Babylon’s) merchants were the great men of the earth; for by thy sorceries were all nations deceived.” (*note: “sorceries” = “pharmacies” in NT Greek*) Rev. 18:4, 23

“Bless Yahweh, O my soul: and all that is within me, bless his holy name. Bless Yahweh, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases;” Psalm 103: 1-3

“Who his own self bare our sins in his (Christ) own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed.” 1 Peter 2:24

“And they brought young children to him, that he should touch them: and his disciples rebuked those that brought them. But when Jesus saw it, he was much displeased, and said unto them, Suffer (allow) the little children to come unto me, and forbid them not: for of such is the kingdom of God.” Mark 10:13,14

“But now they that are younger than I have me in derision, whose fathers I would have disdained to have set with the dogs of my flock.” Job 30:1

“A righteous man regardeth the life of his beast: but the tender mercies of the wicked are cruel.” Prov. 12:10

“For the earnest expectation of the creature waiteth for the manifestation of the sons of God. For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groaneth and travaileth in pain together until now.”

Romans 8:19,21,22

Why have not concerned Christians, patriot groups, or independent news programs mentioned any of the information contained in this article or even have the slightest inkling that ancient Sirius star sacrifice still exists? Because the Star Cult is extremely adept and experienced at keeping the people occupied with many elaborate sensationalist distractions that mesmerize the mind. There is way more going on than international bankers and politics, although those should be understood too. But keep the faithful hope. Yahweh shall deliver His flock from the wolves at the appointed time.
