Greetings to the lambs of Christ (His remnant world wide):

Special message for you!

Thanksgiving is Nov 26th every year – full *study link* at end of article.

This is being sent now to give you time to study what the witness of THE WORD says about us children thanking our Father in the proper Scriptural manner with family manners. Father Yah truly desires to bless you, a child of God!

Isaiah 25:6

And in this mountain (nation) shall Yahweh of hosts make unto all people (His tribes) a feast of fat things, a feast of wines on the lees, of fat things full of marrow, of wines on the lees well refined.

The real American Thanksgiving --- the last national memorial Feast Day of the Israel solar calendar year.

Don't let the word "American" throw you off. If you are white Saxon Israel quickened as to your salvation by Yahshua/Jesus, King of Israel, then you are an *American* no matter where you live. The word “America” has two Biblical historical meanings: 1) In Hebrew it means “People of the Kingdom”. 2) In Gothic [old German] it means “Heavenly Kingdom”. ([click here for proof](#)) These meanings are interwoven but have the same correlation. Did you good folks outside of the USA on our mailing list know that you are Americans too?

Some Americans are in the latter day prophesied Kingdom land of the USA in North America, while some Americans are still scattered world wide. The ones in the USA were *supposed* to have been on the way to replanting the Kingdom government of God, while the scattered Americans remaining in Europe, South Africa, Australia, New Zealand, Canada, & elsewhere are those chosen as salt to preserve the Earth so that the heathen do not destroy the planet. These are separate callings, both important. (more another time)

Both groups of Americans (the Kingdom people) are hanging by a thread because of angering God in many ways. (Lam. 5:22). The official Kingdom land (USA) is nearly in complete ruins, while the (scattered people) are in threat of annihilation by nonwhites everywhere. There are many reasons for this, just one of which is that we have lost our

family manners of appropriately thanking Father for what He has done for us over the last several thousand years. The Scriptures promise us that we DO have the eventual worldwide victory over evil, BUT because of our race's ill mannered attitude Father Yah is about to grab us by the back of our necks and shake some sense into us as His children. (no easy way out now)

In the mean time, a few grateful children may want to consider humble thanks on a national scale that THE WORD reveals to us.

Seven required memorial Feast Days --- and one voluntary THANKSGIVING DAY. 8 Feasts.

Let's make this clear --- the eighth Feast of Thanksgiving is NOT "adding a Feast day" now in the latter days. There are 7 national memorial days by the Mosaic law that are given to us by Yahweh which tell the story of our redemption by the promised Christ after Adam and Eve sinned. These memorial days are given to us because we are a habitually forgetful people. The *sacrifices* performed on those days and on the Sabbath were done away by Christ crucified on the stauros pole (mistranslated "cross"), but the memorial days and Sabbath remain with us.

Christ says "come and dine" (John 21:12). As we sit at Father's table He tells us the story of redemption by way of the Feasts. This is when we listen to the story, nationally. This is by law. In other words Father says "You are all to sit at the table while I tell you my story (the Feasts)". This is a mandatory "sitting and listening". Then, after Father tells us the redemption story contained in His Feast Days, He sits back and waits to see if we are going to have family manners as children and say, "Gee, thank you Father. What you have done for us is wonderful, and the story is wonderful". This "thanks" is not mandatory under the law, but comes by the grace of Jesus Christ. It is not "adding a Feast day".

This is why the American Thanksgiving is not listed in Leviticus, but rather in latter day prophetic Isaiah 25:6. Nevertheless, Father sits back at the "table" and takes note of which of His children are thankful and humble and which have no time for thanking, having become spoiled brats by all of the material blessings that Father has provided. Rewards or disciplines shall be forthcoming by "Dad". All of the denominational churches are institutions for spoiled children. Get out of those churches. A very few of the Kingdom assemblies grasp the importance of humility and thanksgiving the way we are asked to give thanks. We are given choices.

There is also the “fake thanksgiving day” of the corporate United States at DC, that is: national “turkey/ham/parade/football day”. It is held on the 4th Thursday of November each year and can vary between the 22nd – 28th. It has nothing to do with the Scriptural Thanksgiving Feast [fixed/stable always the 26th] and should be avoided by all Americans (Saxon Israelites) worldwide.

If you feel led of the Holy Spirit, below is the study link for the *American* family Thanksgiving Feast Day. It explains the Feast from Scripture and recorded history. It also details precisely how President George Washington originally had it correct, and who it was that subverted the American Israel Thanksgiving into the sham we see today. May Yahweh/Jesus bless you all greatly!

PS -- please forward this to your Saxon Christian friends, especially to those who know who the Israelites are but are unaware of honoring our heritage memorial days. --- brother Ken Lent
