Topic for discussion for 2026 --- THE CONSPIRACY

Greetings faithful ones,

One of many topics that will receive attention over the new year of 2026 will be determining what (or who) is the main body of antichrist conspirators that continues to plunder the spiritual and physical wealth of the people of the world. Being aware of who is doing what to you is important, as your freedom and very lives depend on it. Plus it is necessary to know whom exactly it is you need to be praying against.

The common position held by many concerned Christians is that the world conspiracy is headed and run by elite Jewish bankers. This belief has been cultured among our people in order that those who are actually at the top levels remain unscathed in their evil plots. A lot of well meaning folks do not want to hear this. But its true. Yes the international banking system as been abysmal in all it has done, no doubt. But it has been a “pit bull” on a leash held by an elaborate multi-layered elite religious/political group in power for over 6000 years. The Christian sheep have been trained to only focus on the “pit bull” and to never wonder or study about who is really holding the leash. Well this ministry is going to tell you, even in the light of heavy criticism. Basically what we have going on is this (from a viewpoint of top to bottom in the chain of command of the world system conspiracy):

**The Nodite Sirius Star Cult: aka Queen of Heaven Worshipers as in Jer.44:17-19; Rev.17:4-6; Rev.18:4-7; Gen.4:16-24.** (side note: the tempter of Eve was female, not any sort of male)

**Black Nobility: The family of Nodites who have controlled commerce from the days of Eden until now (European aristocracy). “Black” refers to their deeds, not their skin color.**

**The Committee of 300: various non-Nodites who are basically capitalist corporate greedsters, masters at making huge monopolies with whom the Black Nobility has cut a deal of international cooperation.**

**The Roman Catholic Church and its KGB equivalent *The Jesuits*. This group is the preferred religion by which the above three groups have captured the minds and hearts of the world’s people. This “church” has ruled with torture to enforce its “spirit doctrines”.**

**The international Jewish banking elite: Groomed by the Queen of Heaven Worshipers via its use of the Holy Roman Empire. Talmudic Jews (Edom) hobnob with this group.**

**Cruel rogue Edomites (atheist Jews, the Communists) who want to run the show themselves. These independent Edomites have become very powerful and are much hated by the Sirius Star Cult/Roman Catholic Church who themselves have no intention of sharing control with the Commies. There is deadly in-fighting between these two evil factions of control. ----- stay tuned for further detailed info by reading our emails you receive. -- KL**
