RE: Female Serpent –Addendum 6 about current Nachash/Sirius sacrifices

What is transpiring at the top level concerning world events far surpasses what we observe on a political, current event, or economic level. I myself am not one who takes to superstitious or mystical slants when studying anything about the world-wide conspiracy against Godliness in the Earth, however since the reader has probably by now gone through all of the sermons and pdf notes of “The Female Serpent of Eden” series, you may be as *astounded* as I am to find out that the top level of our adversaries is not a Jewish banking house, Communists, Muslims, Talmudic Rabbis, Antifa, sodomites, lesbians, or “trans” people, although all these and more play a hand in our dilemma. What we are dealing with at the apex of all this is a small but powerful cult whose creed goes back to the deification of the female tempter of Eve. These people are deranged yet control the powers-that-be of the world system. They sacrifice to obtain supposed “power and favor” from their delusion of a goddess whom they see as being occultly connected to the star Sirius. This female deity exists only in their imagination, but to implement their beliefs they will sacrifice the entire world and must be stopped. This star cult existed in ancient Canaan as the worshipers of Astarte, called the female goddess Ashtoreth by idolatrous Israelites. In Egypt she was Isis, in Babylon she was Ishtar, in Jeremiah’s days she was known as The Queen of Heaven. Other races have referred to her by several different names, but she is the Nachash tempter of Eve, deified. If you want to see her in a western civilization rendering, just go into any Roman Catholic Church and you will find her there as a statue, The Mother Of God. Some conspiracy researchers have dubbed this small star cult at the apex of the world conspiracy as The Cult of Isis. I have chosen, in the sermon series, to assign the name “Sirius Star Cult” to them due to their ultimate worship and sacrificing to the star Sirius in the constellation Canis Major. Monumental events in history have been sacrifices to Nachash/Sirius, but to this date very few realize it. We can’t cover them all here but “happenings” such as the Vietnam War, 911, and Covid are on the list of mega-sacrifices which show the extreme worldly power of this “cult of cults”. Hard to believe, but true! Political analysts may have their prominent news shows, both mainstream or Internet Alternative, but to only attribute political ramifications (even “Christian” slants) to the enemy is missing the mark completely. How do we know this? Because Yahweh God of our ancestors tells us so. When the rubber hits the road the Word of God says that the wicked elite are first and foremost sacrificers to their religion, then the current events, wars, economic breakdowns, follow the covert religious deeds. The Scriptures convey to us that God recognizes our conflict to be against dangerous elements who act out their allegiance to their cause by cruel sacrifices. Our great leaders such as Abraham, Joshua, and David clearly understood this concept. In our modern society of SUV’s, computers, and cell phones the perception is that ancient sacrifices don’t apply today. This is a critical and deadly error on the part of our contemporary people. The sacrifices to Nachash/Sirius continue unabated on a level unimaginable.

Scriptures written to remind us of the adversaries' priority to sacrifice are :

Judges 16:23 Then the lords of the Philistines gathered them together for to offer a great sacrifice unto Dagon their god, and to rejoice: for they said, Our god hath delivered Samson our enemy into our hand.

Isaiah 57:3 But draw near hither, ye sons of the sorceress, the seed of the adulterer and the whore. 5: Enflaming yourselves with idols under every green tree, slaying the children in the valleys under the cliffs of the rocks?

Jeremiah 44:15 Then all the men which knew that their wives had burned incense unto other gods, and all the women that stood by, a great multitude, even all the people that dwelt in the land of Egypt, in Pathros, answered Jeremiah, saying,

16: As for the word that thou hast spoken unto us in the name of Yahweh, we will not hearken unto thee. 17: But we will certainly do whatsoever thing goeth forth out of our own mouth, to burn incense unto the Queen of Heaven, and to pour out drink offerings unto her, as we have done, we, and our fathers, our kings, and our princes, in the cities of Judah, and in the streets of Jerusalem: for then had we plenty of victuals, and were well, and saw no evil.

Luke 13:1 There were present at that season some that told him of the Galilaeans, whose blood Pilate had mingled with their sacrifices.

2: And Jesus answering said unto them, Suppose ye that these Galilaeans were sinners above all the Galilaeans, because they suffered such things?

3: I tell you, Nay: but, except ye repent, ye shall all likewise perish. (be sacrificed)

Proverbs 15:8 “The sacrifice of the wicked is an abomination to Yahweh: but the prayer of the upright is His delight.”

The wicked are still here today and the upright are still here today, so to what sacrifices does this refer? Who, when, how, why, where?

In the well meaning zeal to correct the present political situation in America (and other countries) our kinfolk have forgotten the *Scriptural warning* that first before all enactments of evil legislative laws comes the adversaries' sacrifices to their various gods and goddesses. This has not stopped in the many centuries of history. The worst by far is that which has been done by the Sirius Star Cult, the elite of Astarte worshipers. They have well adapted to the high tech age. Please help your Christian friends to log on to our web site to obtain information not available anywhere else on the Internet. The first major levels of the ungodly conspiracy, solidly substantiated from the Bible and recorded history, are as follows: **1)Sirius Star Cult – 2)Black Nobility – 3)Committee of 300 – 4)Vatican/Jesuits – 5)World Edomite Banking. These are followed by hundreds of “spin off” groups and agencies world wide.** We might be wise to ask the question: “Why are we intensely and continually told that #5 runs the world order, while there is virtually no mention of #'s 1 through 4 within the Christian Patriot community? Is this intentional?

Are there no experienced elder rams left among the sheep who will listen?
