

From the desk of Kenneth W. Lent, May 12, '25

Greetings to the very elect,

### **Real ID 5/7/25 & the star Sirius connection**

Note: The "Real ID" has two components:

1) Religious

2) Surveillance

This email only pertains to #1.

A follow up will be required for #2

On May 7th 2025 Americans were told they had to obtain a "Real ID" (Star ID) on their driver's license. (as if it isn't bad enough that we have to have a license to travel). The NSSC has been conducting psychological warfare against Adam and Eve's Saxon family for the last 6000 years. Today's churches have made our kin folk oblivious to this. The "Real ID" has the finger prints of the NSSC all over it. Don't know what the NSSC is? The web link at the end of this email will help.

Sirius is the brightest star in the night sky and was high-jacked over 6000 years ago as the symbol of the Queen of Heaven (Jer.44:17) of the Nodite cult of Mystery Babylon *The Mother* of Harlots (Rev. 17:5) a radical feminist religious/political organization bent on replacing Adamic patriarchy with Nodite matriarchy world wide. In the western religious world Sirius the Queen of Heaven is the so-called "Mary the mother of God in Heaven" the Queen goddess of the Roman Catholic Church.

Although the star Sirius is a blue-white star astronomically, in occult mysticism it is always presented as either a gold star worn ornamentally, or a white star that emits gold light in a gold background. The black star is the pan-African adopted symbol of rising black power in the world, and the rise of dark culture in America. There are also religious implications in forcing Americans to carry about the Sirius badge daily. In order to condition a once white Christian America to *accept its fate* of increasing multiculturalism, the NSSC bombards the population with subconscious indoctrination.

To name just a few examples --- the Vietnam war began with the Gulf of Tonkin air strikes on August 5, 1964 which is during the "dog days" of the star Sirius helical rising in relation to the Sun. The star Sirius is in the constellation Canis Major the dog constellation. Pagan occult nations such as ancient Rome routinely sacrificed dogs to Sirius. The U.S. government, at the end of the Vietnam war, intentionally left 5000 loyal service dogs behind in SE Asia to be offered up by occultists there. This with over 50000 dead American soldiers that died in vain for the NSSC that runs D.C. The Vietnam war caused a rift in America that has never healed.

Also, the only rescue dog to die in the 911 twin tower debacle was a *golden* lab left alone in the bottom floor of the south tower before it fell as a canine sacrifice. The dog's name --- Sirius. This is beyond coincidence. The NSSC tells us in plain view what they are doing to us, but the churches have the sheep blinded with bogus teachings. The gold and black theme stars on the "real ID" say what they mean -- subservience to the NSSC, the radical and deadly matriarchy taking over the world for the Queen of Heaven. This deity is served by an entourage of male priests and preachers world wide.

Another example of the psy-ops program by the NSSC is the "flat Earth movement". Basically its quite simple. Dome on - "you are captured"; no dome - "you are free". Millions of people have been convinced to concede to the captivity. The more literal translation Bibles such as Rotherham read that in Genesis chapter one we have an *expanse* over us, while New Age and Catholic Bibles read that we have a *dome* over us. Then we get slammed by the NSSC in Hollywood. Jim Carey *starred* in a movie

called The Truman Show. Truman lived in an artificial world with an artificial dome over him. At one point in the movie an artificial light (a simulated star) fell from the dome and landed in front of Truman. What was the name of the star written on it? Sirius. "They" tell us what they are doing and dare us to free ourselves from the captivity. Now we are groomed to carry Sirius with us perpetually.

It should be mentioned that in Mel Gibson's movie The Patriot which was produced one year *before* "911" happened, that in Mel's first scene he is building a rocking chair which he states in the film scene that the chair weighed "9 pounds 11 ounces", and a few seconds later the chair collapses and was demolished. It's doubtful that Mel even knew what was going on, but somebody did and the ghostly prophetic message was filmed. This type of psychological mental implantation attack has been going on for a very long time with magazines, TV, movies, web videos, billboards, radio, more.

We are furthermore told that we are "magnetized" by CoVid when nobody was magnetized nor is that possible. The masses were hypnotized to accept CoVid since "magnetized" is an occult term really meaning hypnotized. ( [read here later as it's 18 pages long](#)) But enough subliminal examples for now.

What about the date 5/7/25 as the appointed time for the "Real ID"? These criminally insane religious fanatics love to do their dirty deeds on numerology designated dates to make an occult statement. In the ancient Egyptian universe the number 5 represented the celestial abode of the "gods" where they believed the Pharaoh would go after death and become a star "forever" to live in the realm of Isis. Isis was said to be the sibling of 4 other deities, Osiris, Seth, Elder, Nephthys, of which Isis became the most powerful of the celestial 5 becoming the Queen of Heaven. She still holds this title in the Catholic Church as its false Mary -- "the so called mother of God". As far as heathen planet and star worship forbidden in the Bible, there are 5 planets visible with the unaided eye. Mercury, Venus, Mars, Jupiter, Saturn.

Month number 5 is the month of May. May on the Catholic calendar is "sacred Mary month". Every day in month 5 is dedicated to special reflection and prayers to the Queen of Heaven – Mary/Isis/Sirius.

The goddess Isis was the Egyptian name of the star Sirius. In order that Isis/Sirius could not be harmed and dethroned as the Queen of Heaven, she was determined to be protected by 7 heavenly scorpions. We need to keep in mind that this is all in worship of the Queen of Heaven. This belief permeated the ancient world and was passed on to many cultures including Canaanite, Babylon, Asia, and in the contemporary west to the Roman Catholic Church the quintessential religion of the Queen of Heaven.

Then we have the mystic meaning of 25. During the "Holy Sacrifice" of the classic Latin Mass, (used now only on special occasions) the priest is required to make the sign of the cross 25 (5x5) times during the High Mass. Not to belabor the point here, but the cross is a pagan symbol used by heathens thousands of years before Christ. Jesus was nailed to a straight pole, in the Greek called a stauros. (yes, the "Christian" churches are that far off)

Also every 25th year is a special "holy year" in the Catholic Church, thus 2025 holds occult meaning for the NSSC. However, we clearly see the 5-7-25 intentional meaning of the "Real ID" with its Sirius/Isis star. Although our battle for Christian liberty surely involves today's governmental and political struggles, when all is said and done it is a story that dates 6000 years ago, all the way back to

Eden and Nod. It is a battle of whether Yahweh's laws will rule the Earth or if the chaos of the Sirius cult will rule. Be assured "they" will lose. In any event here's the link for this week's email information:

**[New supplementary list to the Sirius pyramid conspiracy chart](#)**

Within the above article there are two other links. For those new to this subject and would like to pursue more info they are: a) a link to the original Pyramid Conspiracy Chart; and b) the NSSC.

May Yahweh/Jesus bless!

Your bro --- KL
