The N.S.S.C.

The Nodite Sirius Star Cult

aka Ashtoreth worshipers mentioned in the Bible

* [located on MP3 page](#)

Haven't known about the Nodite Sirius Star Cult? (N.S.S.C) The information has been on our website since 2019 in the sermon series *The Female Serpent Of Eden**, a full and complete study program of seven audio sermons plus in-depth pdf graphics that explain it in great detail. Please take the time to listen to that presentation. It will forever change the way you look at the ungodly world system that has anguished the nations for thousands of years? [Exhaustive reference sources and verifications](#) for the below are all cited in the aforementioned sermons plus other supportive documents on this web site.

Consider these very briefly compiled facts: (there's much much more in the sermons)

The tempter of Eve was never any male being at all of any type. The tempter was female, named Nachash.

Nachash later married Cain, the murderer of Abel. Nachash was from Nod, where wicked people lived.

Nachash, Cain, and the Nodites were in rebellion against God and His chosen family of Adam and Eve.

The Nodites deified Nachash after *her* death as the star Sirius, the brightest star in the night sky.

(Known in the Bible as The Queen of Heaven – Jer.44:17)

Nachash and Cain's family line continue today and are the evil seed of enmity of Genesis 3:15.

Nodites built the cities of Tyre and Sidon where they worshiped Nacash deified as Astarte (Sirius).

The star goddess Astarte was called Ashtoreth in Hebrew. King Solomon eventually honored her.

Jezebel's father Ethbaal was high priest to Astarte at Sidon. Jezebel installed a feminist rule in Israel.

Baal was a Canaanite god subservient to Astarte (Sirius). Male priests served Astarte through Baal.

The deified Nachash (Astarte/Ashtoreth/Isis/Sirius/Roman Mary) is also called the Queen of Heaven.

The Nodites controlled the merchant trade from Sidon, then Carthage, Rome, Venice, London, D.C.

The Nodites, over 2000 years after Nachash & Cain, enlisted Edomites to serve in their conspiracy.

The Edomites (later called “Jews”) are not the top rung of the world conspiracy and never were.

The Nodite religion is that of star and planet worship, warned against by Yahweh in the Bible.

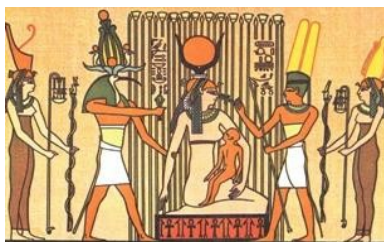

The religion of Astarte/Sirius goddess worship had long ago spread world wide to many races. This star goddess is depicted multiculturally as “mother and child” (Nachash and Cain’s seedline) as seen below: (the feminine world power of *Mystery Babylon the Mother of Harlots– female, Rev.17:5*)
Note: There is no Mother/Child deity in the Bible. Jesus’ ministry was on His own. Isa.9:6: Mat.1:21.

In the night sky the Nacash/Astarte figure is seen as the star Sirius the large star with its “baby” Sirius B: (Sirius is a double star)

The Nodites with their star worship have been the conspiratorial problem from the beginning. The “Jews” are Edomites and useful servants of Nodites. This is not to deny the cruelty of Jewish Bolshevism. But the Nodites are worse and far surpass the Edomites in their clandestine agenda.

Roman Catholic --- the worst religious atrocities in the Western world against the Saxon family of Adam and Eve have been done by the Catholic church, the favorite religion of the Black Nobility who run Europe and America. The blame for Western civilization’s decline has been covertly shifted to the Jewish Rothschild bankers to act as a smoke screen for the Black Nobility who in turn answer to the N.S.S.C. The “Jews” are indeed grievous in their usury deeds, but the first international bankers were the Knights Templar of the Roman Catholic Church. Mayer Amschel Rothschild was carefully chosen by Rome to handle European money matters when the N.S.S.C and the Black Nobility allowed Rothschild to open up his first bank in 1810 at Frankfurt Germany, the former seat of The Holy Roman Empire. A statue deity representation of Nachash/Astarte/Sirius sits atop of the U.S. Capitol building today. The statue was constructed *in Rome* in 1863 and shipped to the U.S. The Black Nobility, through Rome, runs D.C. If we are ever to regain American liberty the next generation is going to have to learn about and come to grips with the N.S.S.C. and its Scriptural history, political programs, and religious agenda. This is a must.
